Members of the student body:

Another year has gone by. To some this is the final year of their high school experience, and to others there are a few years left. But to all there will be a time in which we will want to look back and relive these years all over again. Although each and everyone of us will find a path of our own and make our own success in this world, we will still be bonded by the past. The years at Seymour High can be looked upon as a stepping stone for us.

To capture the past to preserve it for the future is a hard task, but I feel this year's Ripper is an exciting book to capture those highlights of the 1982-1983 year.

To the seniors I wish all the best of luck in their futures and dreams, to the juniors and sophomores good luck in the following school years.

As you go on to the following pages, I hope you will find some fond memories of this past year.

Good Luck

Gene Kymaras

Pretty, aren't we?

Homecoming Week 1982 were unusual days for fashions. Each day members of the student body dressed accordingly — Monday, hats and shades; Tuesday, punk rock (This day proved to be outstanding); Wednesday, western; Thursday, mismatch; and Friday, the old red and white. Student council gave free tickets to attend the dance later that evening to the following winners: Kathy Lahay, Lisa Schabo and Jody Tepp.

A Time To Celebrate

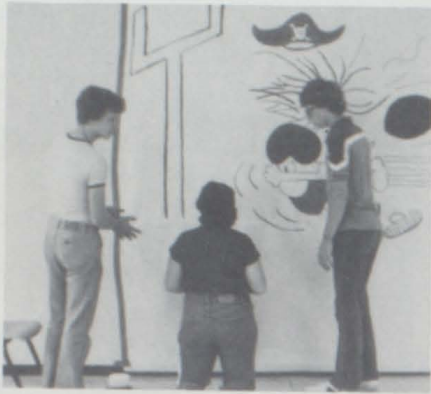

Seymour's Homecoming was celebrated on October 8. Everyone was kept active during the week with decorating the commons to dressing for crazy day. The team helped with the celebration with their victory over Bayport with a score of 15 to 6. Following the game we danced to the music of Streetbeat.

Reigning over the festivities were King Todd Ciesielczyk, Queen Lysianne Flauger, Seniors Kip Winner and Patty Doersch, Juniors Ken Vissers and Tina Englebert, and Sophomores Todd Shroeder and Karen Kemp completed the court.

1983 Seniors

To the Graduate

This day belongs to you and may it hold
The promise of a future, clear and bright;
For knowledge is the key that opens doors,
That lights the way however dark the night.

The problems of the world are yours to solve.
Work hand in hand with all your fellowmen;
If you should fail at first, it only means
That you must start anew and try again.

Do not be satisfied to walk along
The beaten path that others may have known,
But lift your eyes above the commonplace
And being right, you will not stand alone.

Keep your ideals and always strive for them.
Aim high, be just, and to yourself be true.
May God supply the courage for each task,
The wisdom and strength to follow through.

Go forth and play the game to win.
May fame and fortune greet you on the way,
And through it all, be honest, kind and true.

We're On Our Way

SCHOOL DAYS AND TEENAGE NIGHTS

Tina Englebert, Class President

Pondering thoughts, dreaming
dreams,
Going to dances, devising schemes.
Planning parties, taking tests,
Always remember, never forget.

School days and teenage nights,
Getting cars and motorbikes.
Watching TV, drive-in shows,
Where's the time gone? No one
knows!

Chasing boys and running wild;
Your mom still treats you like a
child.

Home by ten, asleep by eleven,
Up in the morning for school at
seven.

Graduation comes at last;
We reminisce about the past.
Our high school days have been the
best-
Always remember, never forget!

DESTINED

There is a world
Out there
Waiting for me
And I intend to conquer it

In The Course Of Time

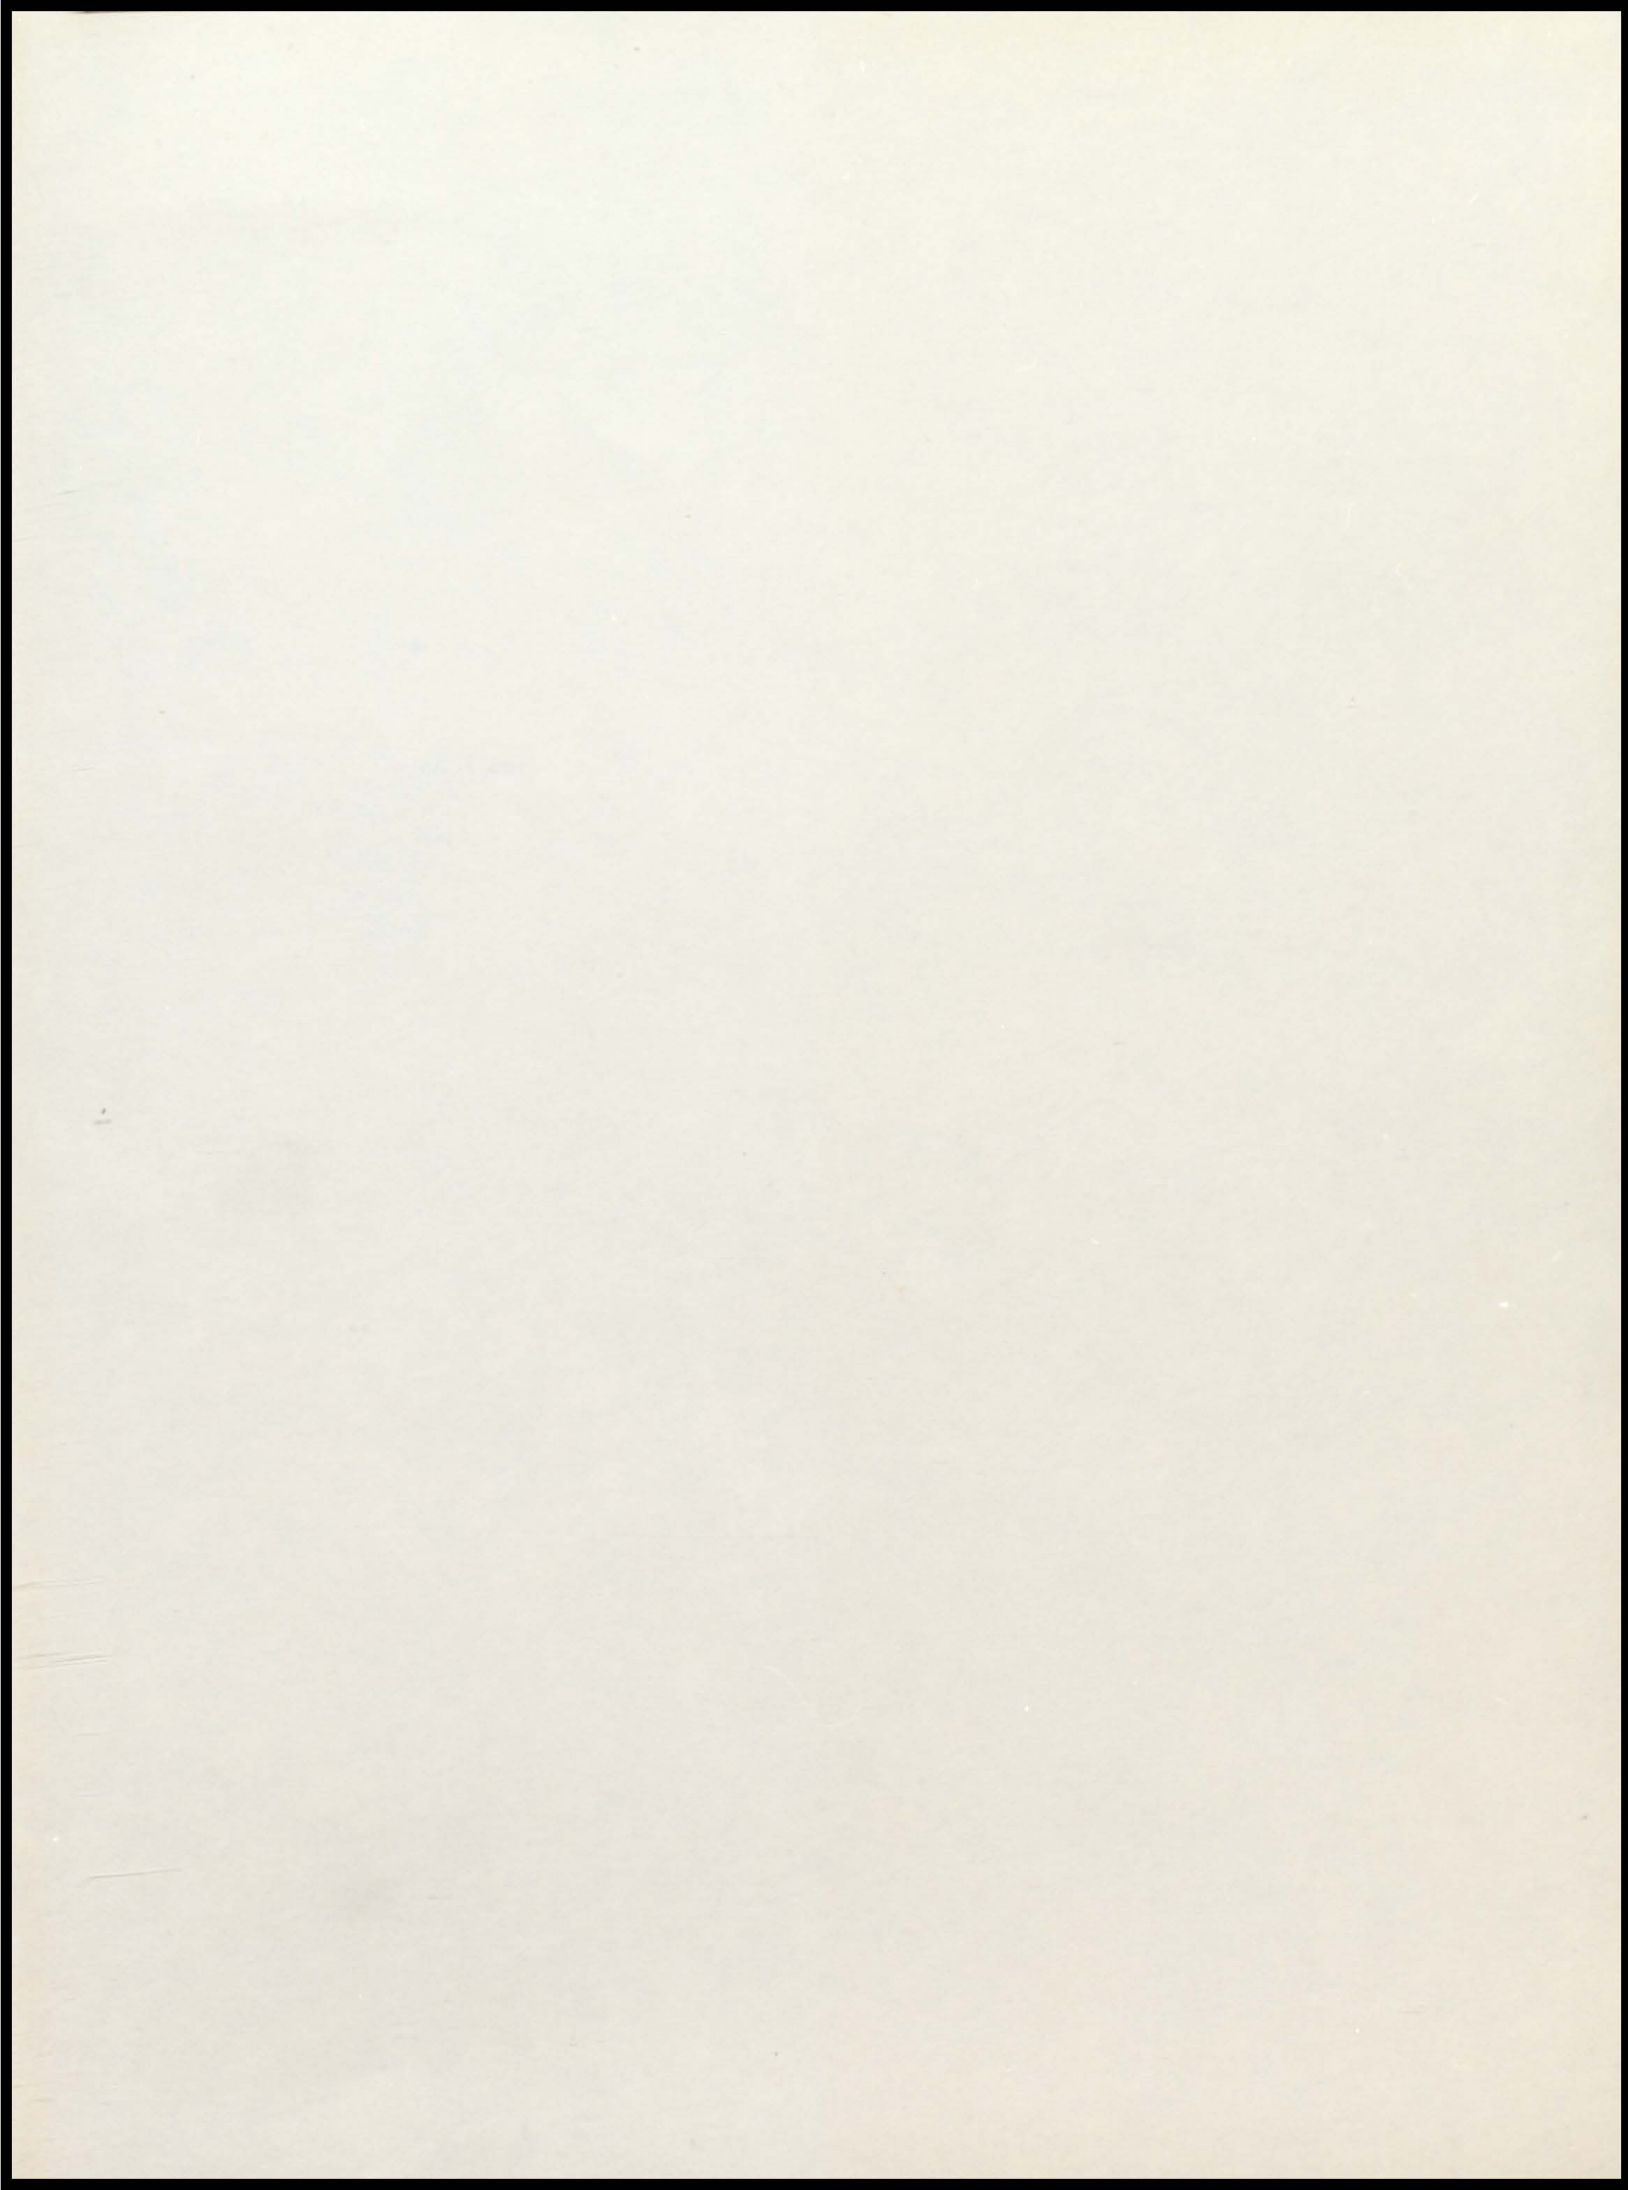

The feeling
Of time rushing past
So quickly-too quickly!
Many friends will soon leave
To go out on their own,
Bringing closer thoughts of my future.

I feel
As if I'm sprinting through the days
Out of breath, wanting to slow the
 pace,
Slow the hours to minutes
To savor each more fully.

To postpone the future-
Scared of what will come,
The changes I may not like.

I wish
For everyone and everything
To remain the same,
To keep the closeness
And affection of my friends,
For time to stand still.

If not,
Then for life always to be as good
As now.

1983 Ripper Staff

This year's following members of **Ripper** Staff consisted of many young men and women who dedicated many hours of hard work to get a book out with a sign of excellence. Many thanks to Mr. Payne for guidance and patience and to Randy Peterson for taking all the shots we requested. Without both of them this **Rip-**

per could not be possible. To make a **Ripper** it takes a group of people who really care about what they are doing and who can work as a team. Being on the **Ripper** Staff means a feeling of great accomplishment.
