*"My Special Friend,  
My Inspiration"*

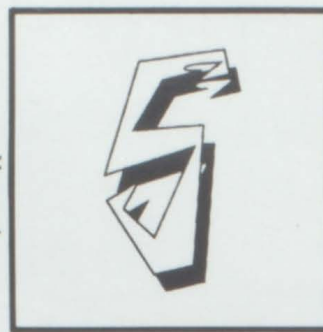

*As I walked home I had a tear in my eye,  
It was very difficult for me to say good-bye  
I will always remember your smile,  
For it will carry me to the farthest mile.  
Whether I am far or near, I will protect you,  
For you are a special friend, it is true.  
Remember the words to you which I say:  
Be strong in your mind and heart each day.  
When you see the brightest star of the night sky,  
Always remember:  
True Friendship will never die.*

# *In Memory Of Chanda D. Kenney*

Late in the darkness  
I could hear you cry.  
When I looked down upon you  
There was a tear in your eye.  
If only you knew  
How much I cared.  
How much it meant,  
The time we shared.  
I wanted not  
To make you sad,  
But to remember the good times  
And the fun we had.  
So think of me now  
With a smile on your face  
For you in my heart  
There's forever a place.  
-Gina Konkle

*May 10, 1976 -  
January 4, 1991*

"Chanda was a good friend. She was always there for me no matter what. I miss her and I wish she was here today."

-Nicki Rusch

"Chanda was sweet and caring. If you were ever down she'd cheer you up with one of her funny faces. We all miss you Chanda."

-Sue Noack

"Chanda was as very special person to me. I love her and I miss her."

-Carrie Malcheski

"Chanda was a sweet friend. I really miss and love her."

-Angie VandenHeuvel

"Chanda was a loving friend! I'll remember her dearly, my love I send. She was always there for all to talk to. She was never selfish, and you knew she loved you. Chanda is dearly missed and loved by all."

Forensics is an extra curricular activity dealing with speech. There are fifteen different categories this year from playacting to story telling. Once decided, the students practice their piece in preparation for meets. At a meet the speaker(s) is judged on time, clarity, tempo, and all together organization. They are given points in five categories to a total of twenty-five points possible. Based upon the average for three rounds the student(s) either go on to the next level of competition or are eliminated. There are five levels of competition from local to state.
