"Her teaching was like the sun. It was powerful, bright, and shined on us all." Tony Kraft

"Mrs. Mullen is a literary wizard who uses her magic to transform student into intellectuals." Kelly Fischer

Thank-You, Mrs. Mullen, for 17 years of inspiration to us and dedication to the teaching profession.

"And dance like a wave of the sea."
(William Butler Yeats)

I need to know about here and now
Not what would have, could have, should have been,
Not what was---

She was a loving mother, sister, daughter, friend.
She taught my son to feel and express.
My daughter loved her above all the rest.
She would have taught our AP class.
She still should be here, not gone so fast.

Eulogies are for the dead

I need to know about here and now.

Does dreaming bind the setting sun?
Does moonlight sing of soothing peace?
Does the butterfly renew with whispering hope?
Does the flower brighten, twinkle the eye?
Does music soothe the constant pain?
Does sobbing and grieving mean all alone?
Does compassion flow from deep-down soul?

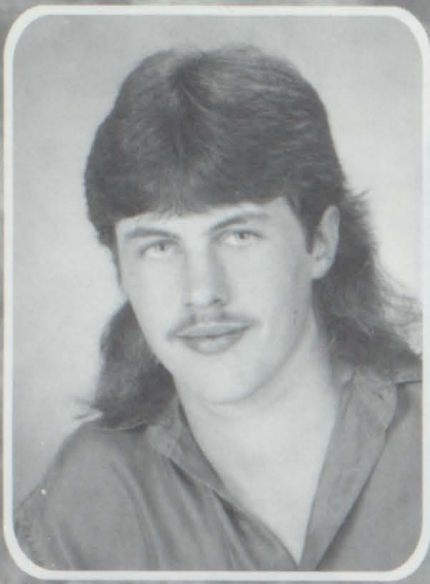

I need to know about here and now.

She loves from the depth of a heart set free;
She delights and dances like a wave of the sea.

One of Kevin's many poses.

"He stole the cookie!"

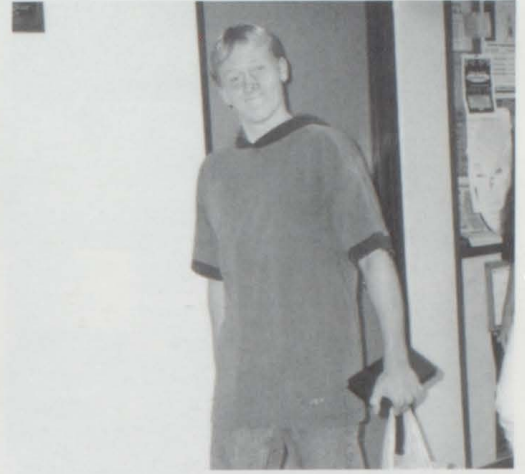

"Where are my donuts?"

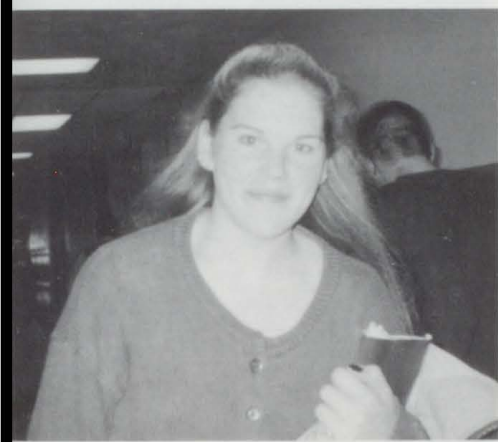

Bravo, Mr. Boo!

Bobbi's waiting for the bell.

Minnie

Hey, hey little Susie!

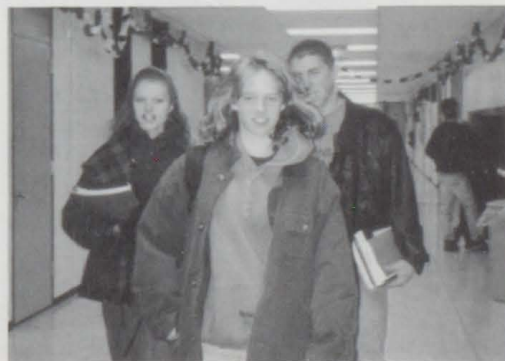

Estoy muy contento!

It ain't that bad, DJ.

"Where's the bathroom?"

"Look at Katie's hair!"

Freak Boy!

That was funny!

Don't bug me today.

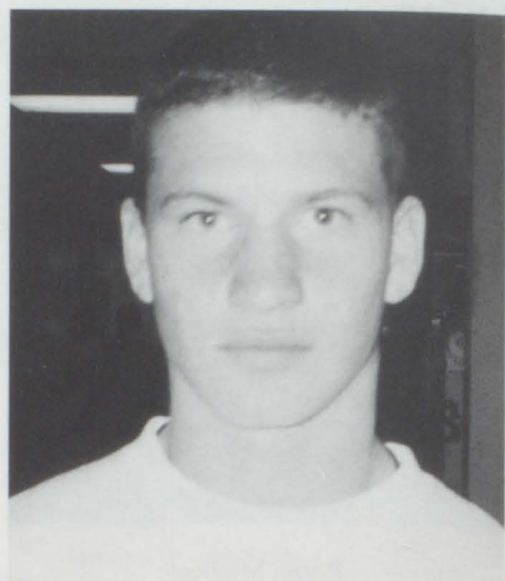

Do you see what I'm saying?

I gotta get to class.

Just relaxing.

Look into my eyes.

Hey, look at me!

Don't even think about it!

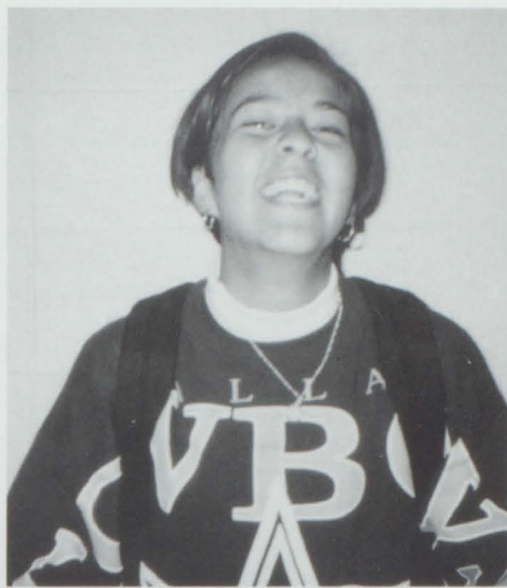

Look at my arm!

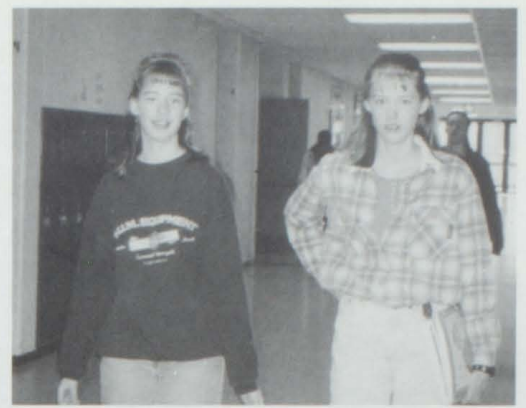

Got ya.

Hi Mom!

Is there something in my nose?

Why aren't you in class?

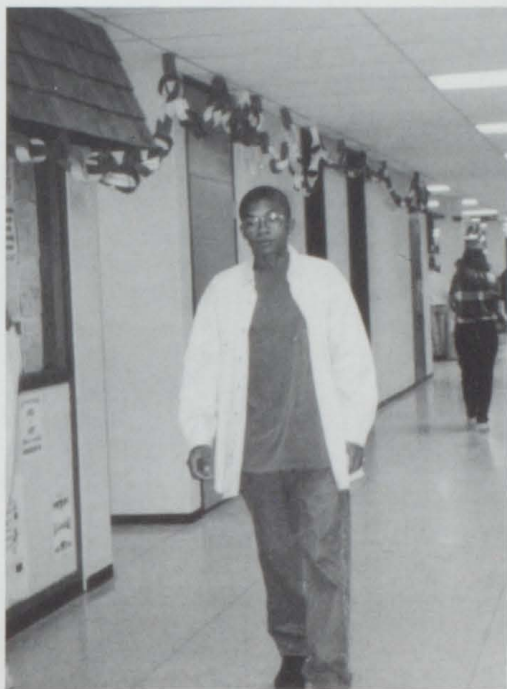

Group picture!

Hey Julie.

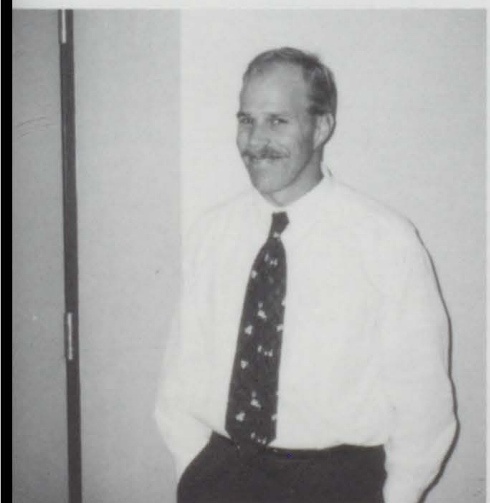

Nice tie Karen!

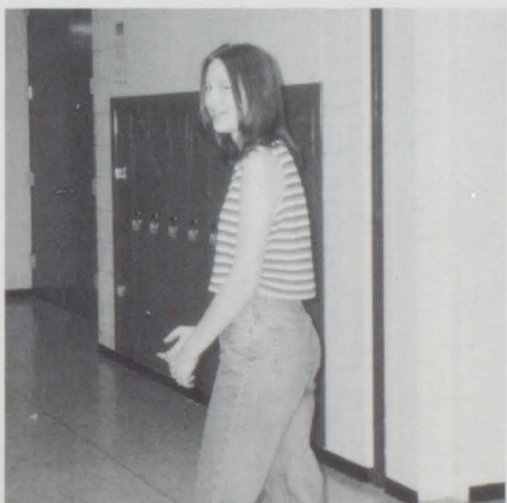

Are you lost?

Leave us alone.

Have a nice day.

Where's the bathroom?

I'm so disgusted.
