

## AQUATIC CENTER DIRECTOR

The Seymour Community School District is seeking qualified candidates for the position of Aquatics Director. Preferred qualifications include a Bachelor's Degree in Education, Recreation, or related field. The candidate should also possess or be eligible to possess Lifeguard Certificate, Lifeguard Instructor Certificate, Water Safety Instructor/Trainer Certificate, and Certified Pool Operator (CPO). It is preferred that candidates possess or be eligible to possess Water Safety Instructor/Trainer Certificate and Water Aerobics Certification. Experience in pool management and administration of community aquatics and recreational programming is preferred. Job goals include administering and providing direction for the development and operation of the Seymour Community School District Aquatic Center and related school-community facilities.

To apply, please submit a letter of interest, resume, transcript, letters of recommendation, and certifications to:
