

Title 1 Math Interventionist LTE

Interested applicants will be enthusiastic and self-motivated with the ability to plan, implement and create lessons that engage students working to enhance Title programming. Candidates will be working in small groups to lead math interventions, grade level curriculum planning and development while promoting a collaborative, team centered and supportive environment.

Qualifications:

- Valid Wisconsin teaching certificate in the subject area of employment (Elementary Teacher)
- Ability to interact in a positive constructive manner with students, staff and public.
- Experience working with elementary age students.

The Seymour Community School District is located in Northern Outagamie County and consists of approximately 175 square miles. Seymour is conveniently located 13 miles from Green Bay and 18 miles from Appleton. Our location offers an ideal blend of nearby city conveniences and leisurely country living.

This position offers a great opportunity to join a dedicated staff as part of a greater community of learning.

Please apply for this position on WECAN.
