

The Seymour Community School District contracts their school busses from Huettl Bus, Inc. of Seymour WI. We have 22 regular bus routes that transport children to and from the Rock Ledge Primary Center/Intermediate Center. Students from the Seymour Middle School and Seymour Community High School walk to and from the bus pick up/drop off site at Rock Ledge.

Six bus routes are assigned to transport children who live in the Black Creek Elementary/Middle School attendance area.

Approximately 13 bus routes are provided for our 4-K program, Early Childhood and Special Education classes.

Transportation Director: John Kasha

Transportation Assistant: Lisa Schultz

All transportation changes require 24 hours notice before they go into effect.

Call Lisa at 920-833-2304 Ext 501 or go to our website at seymour.k12.wi.us and click on the District tab & click on Transportation to make any transportation changes.
