**Appreciating Different Cultural Differences and Cultural Pressures**  
**write NEATLY and proof**

1. The narrators in the select chapters we read express **internal conflicts** regarding honoring the traditional cultural expectations set for them and their own individuality and preferences. List at least THREE internal conflicts from the chapters we read and EXPLAIN them.
  
2. The narrators featured in the *Joy Luck* chapters also experience **person vs. person** conflicts based on cultural expectations and their personal preferences. List at least TWO person vs. conflicts and explain them.

**TRADITIONAL Chinese Culture as  
described in select chapters from *Joy  
Luck Club***

**American Culture**

- Differences go on the outside / Likenesses to on the inside
- Be sure items on the outside relate to one another and are on the same basic topic.
- You may want to focus on marriage customs, view of promises, superstitions, parent/child relationships, etc. You could have multiple examples w/in the categories listed above OR use other categories. You're NOT limited to these categories. They are just there to help give you ideas.
