**1959**

Bonnie Rea Peterson, age 70, of South Elgin, IL, passed away on Monday, August 18, 2014. She was born September 26, 1943, daughter of the late Ray and Edith (Blair) Peterson.

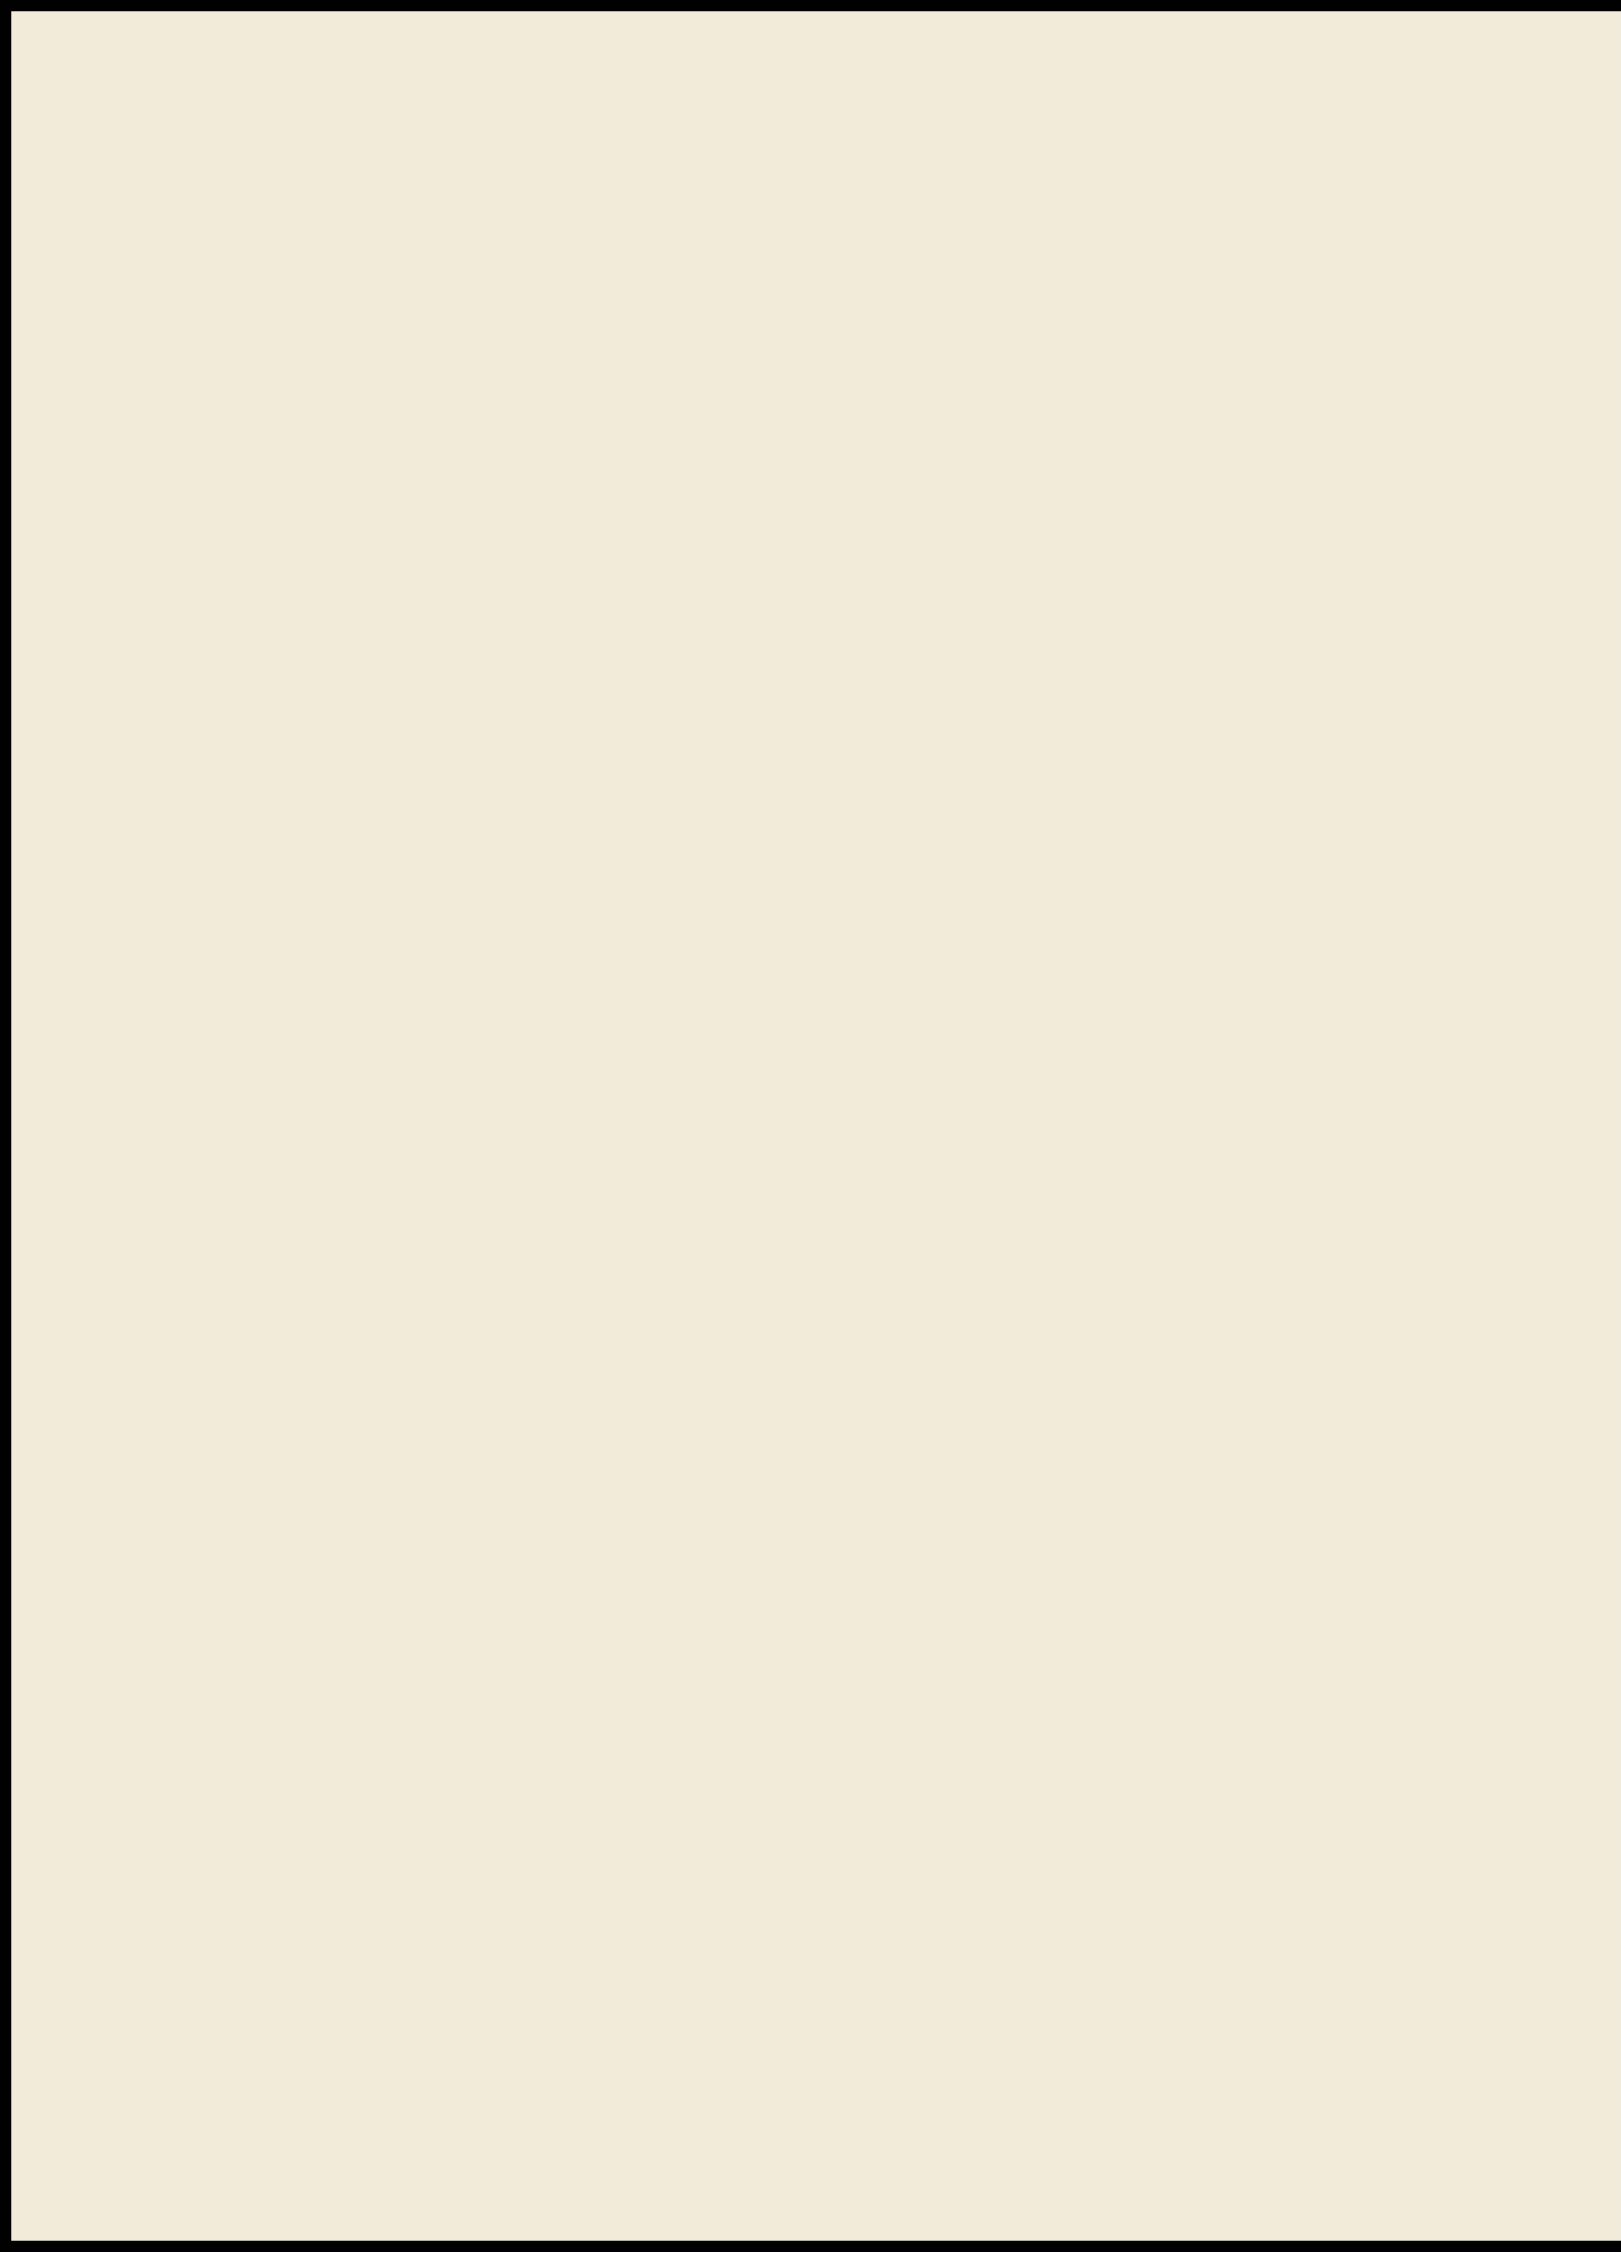

Bonnie grew up in Cavour and Seymour, WI. She retired in 2012 from Grand Victor Casino, Elgin, IL, after 45 years in the gaming industry. Her passion was Egyptian archeology and history, and frequently enjoyed listening to Yanni music. Her father was a telegrapher for the railroad which influenced her mini collection of train memorabilia.

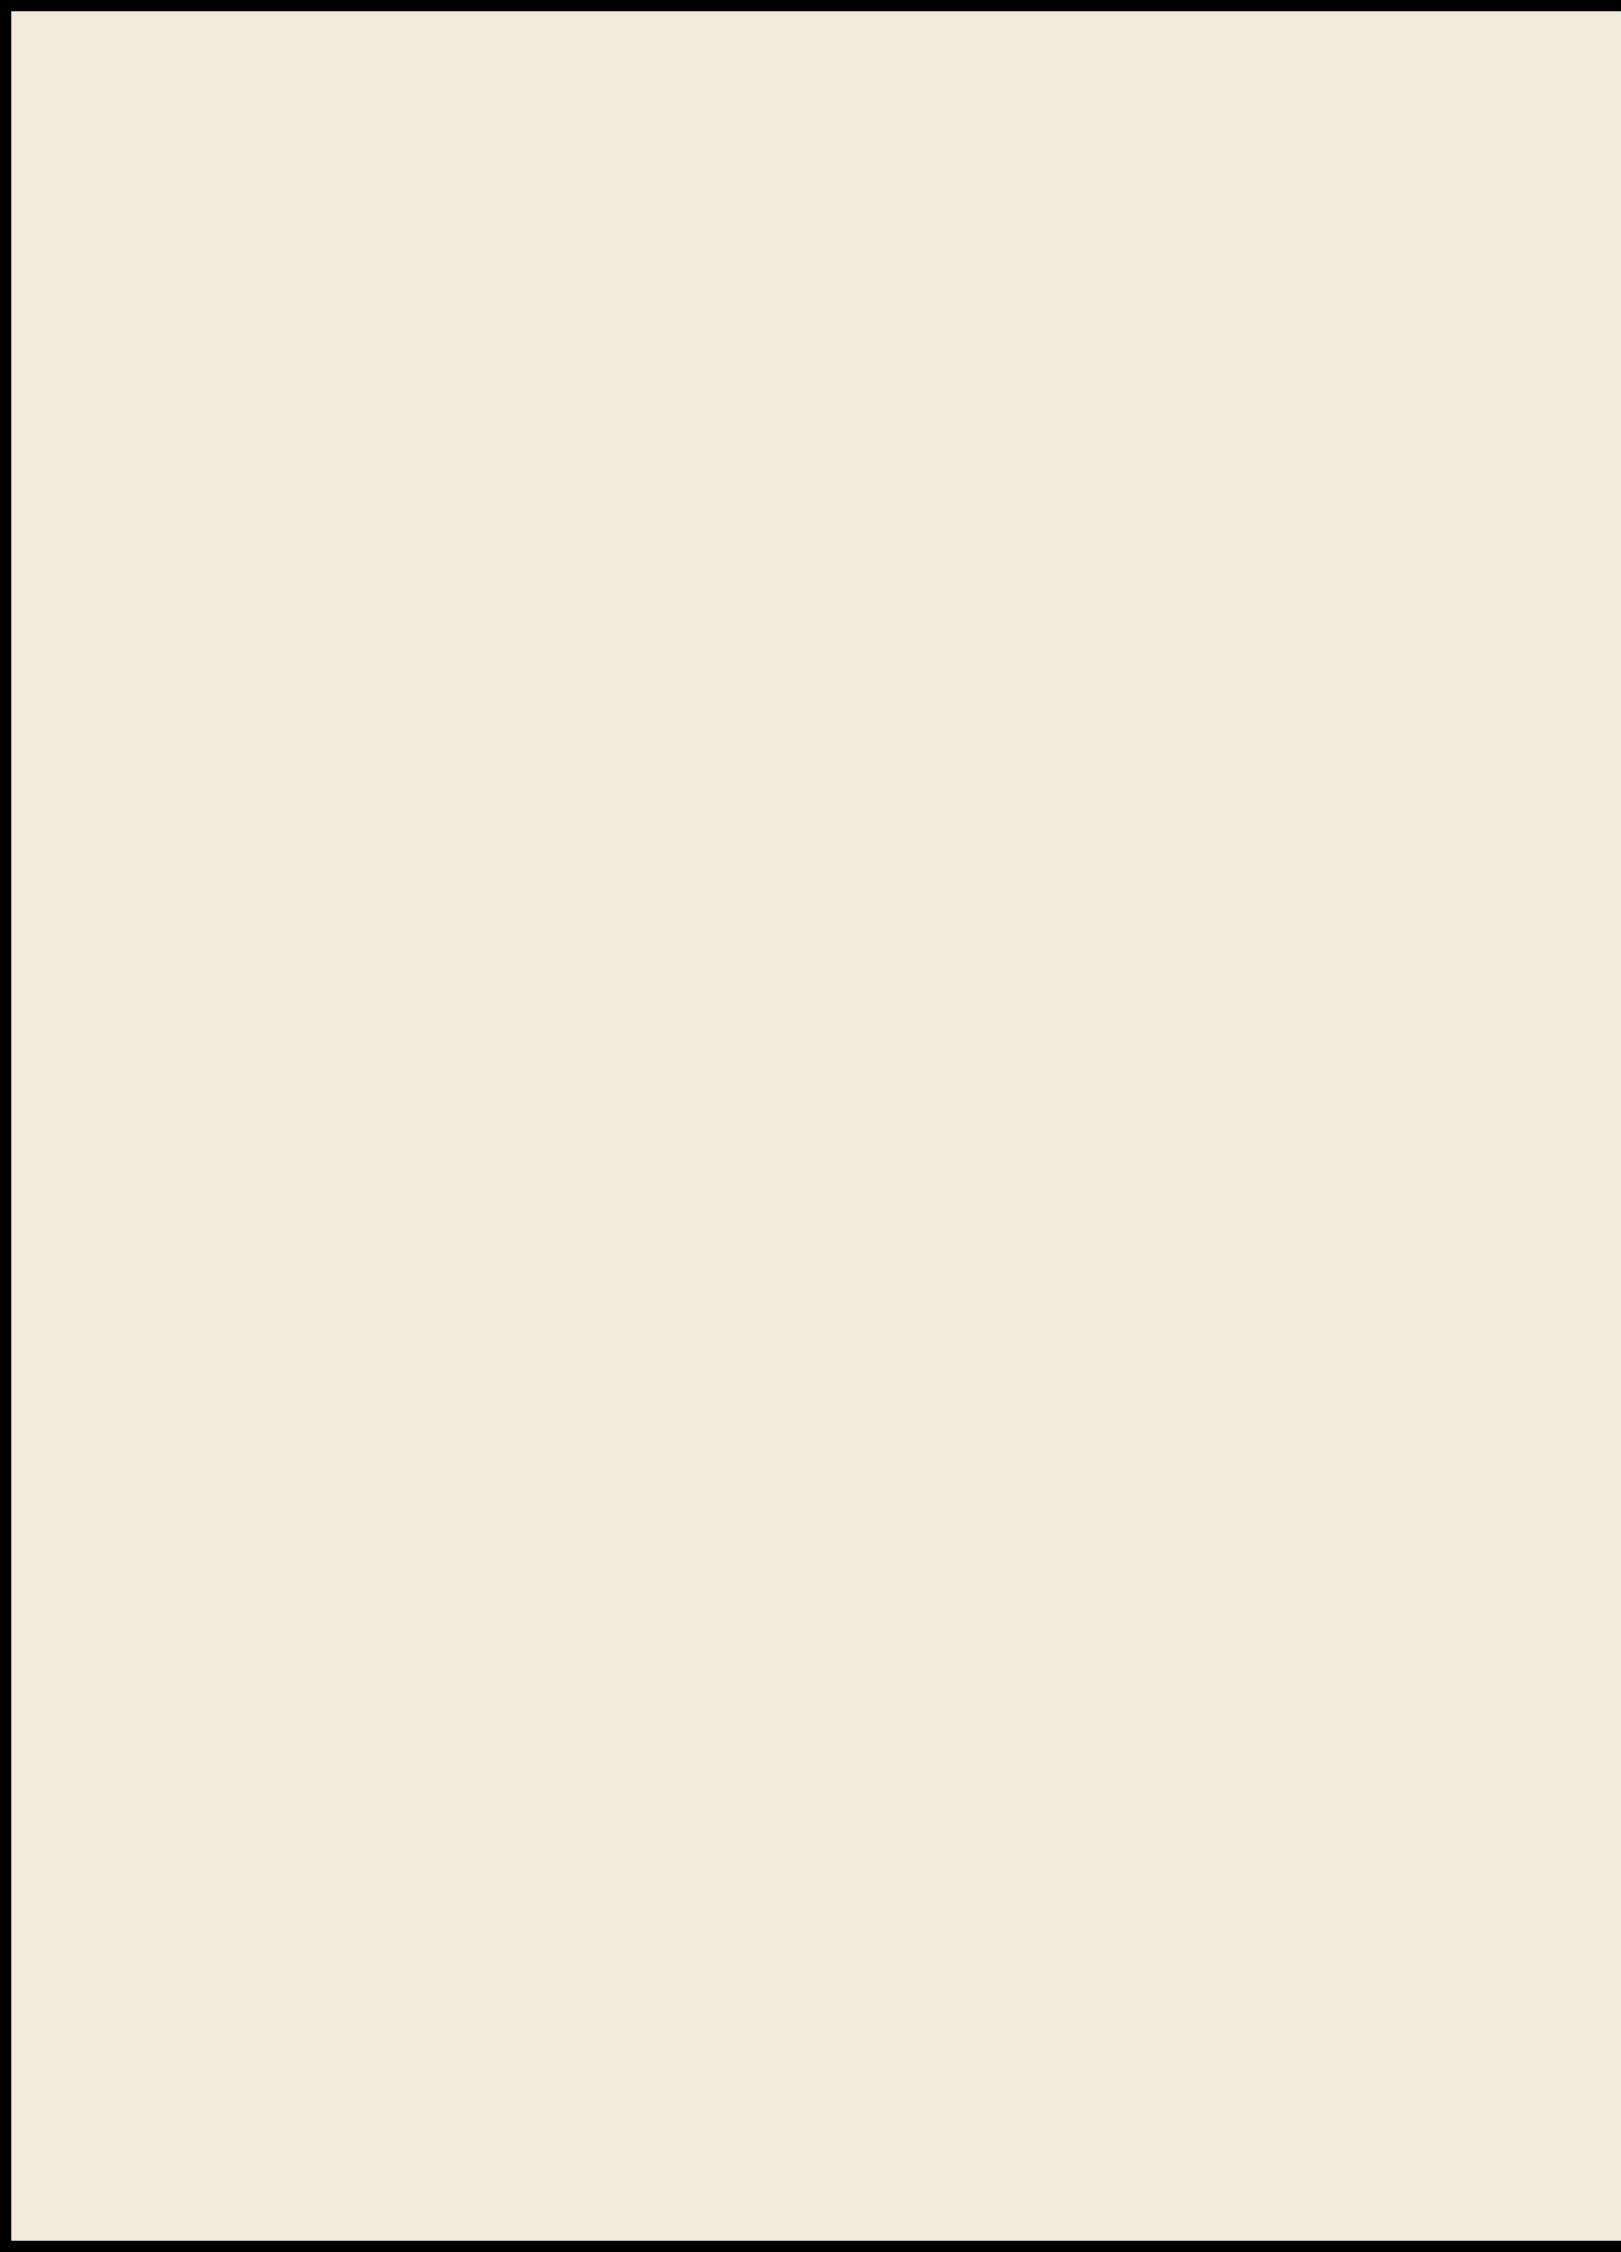

In her life's travels she spent some time in Carson City as a cowgirl, traveled to Europe several times, and she felt she lived a full life. She was an avid martial arts practitioner throughout her life and earned her black belt in Bujutsu and black sash in Tai Chi in 2012. She was a avid golfer, that's why she wanted her final resting place looking over the golf course.

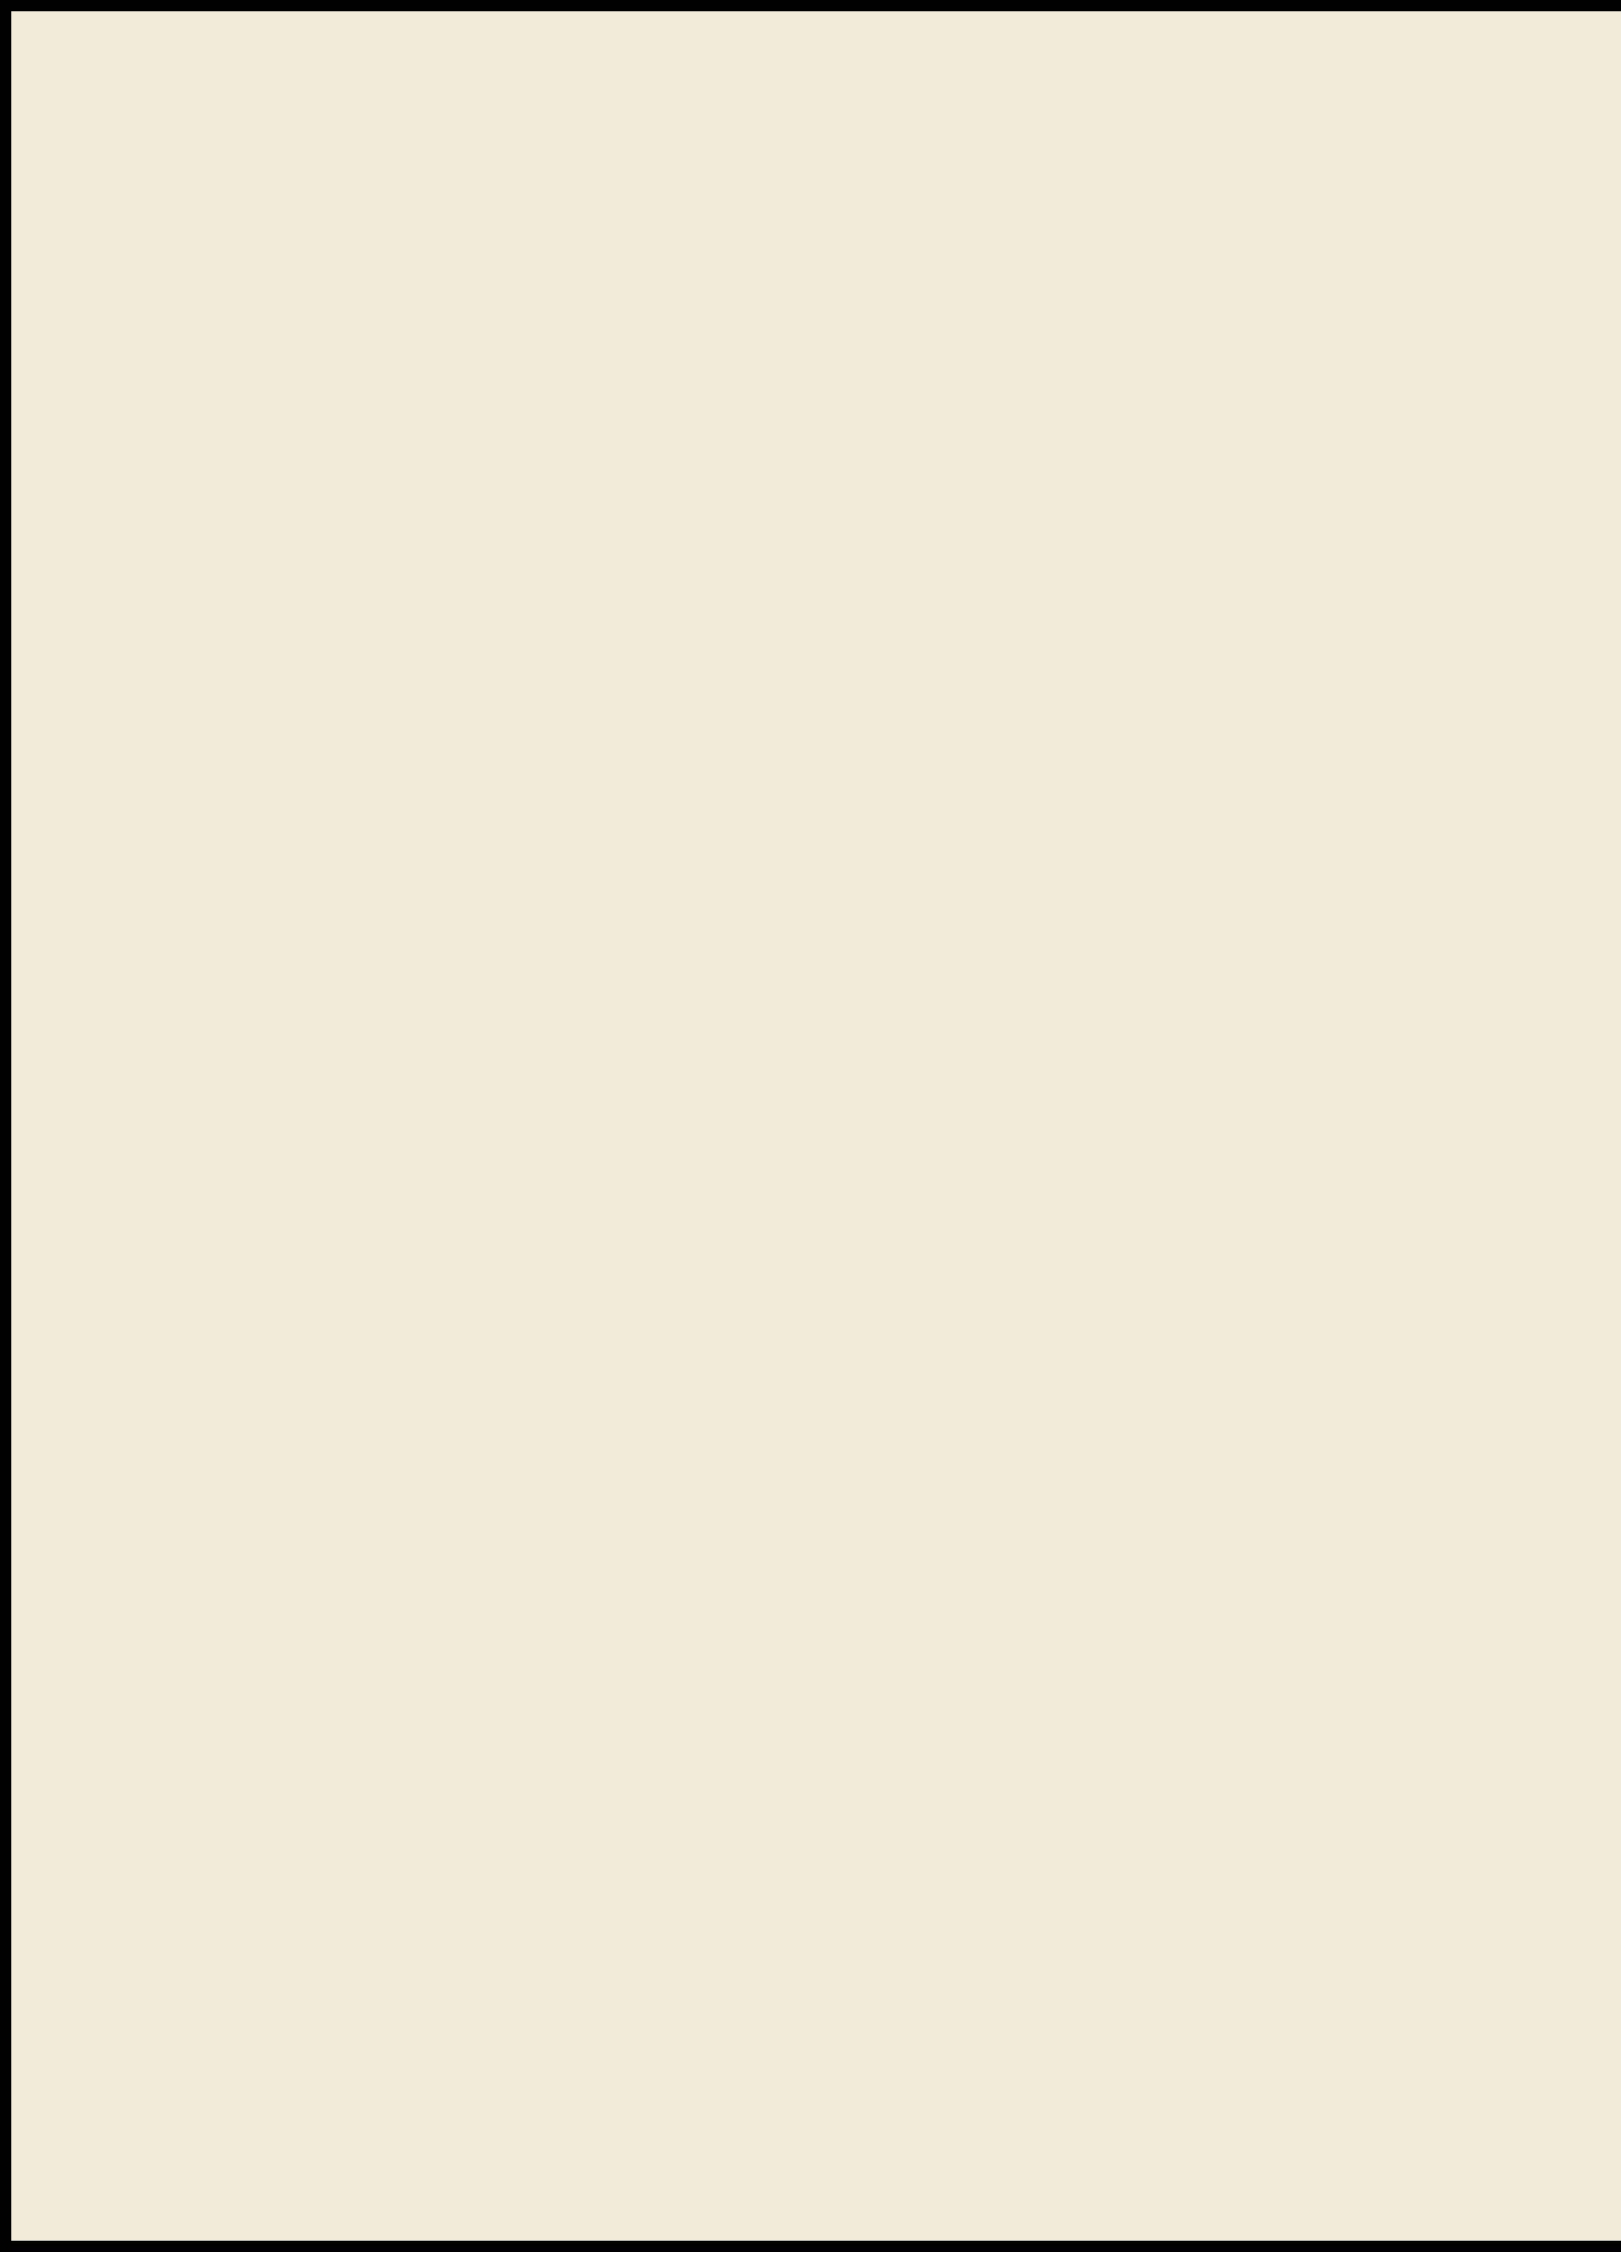

She is survived by her cousins, Bob and Lynn Blair; dear friend, Thomas O'Shaughnessy; and many friends across the country.

## *Dedication*

. . . to Mr. Timm

In the course of their four years at Seymour High School, all students come into contact with Mr. Dale Timm, as he teaches the required American Problems course and is also guidance director. He is a familiar figure in the Office, where he handles the absence excuses.

Mr. Timm started his teaching career here in 1954.

Born in Eland, Wisconsin (one of ten children), March 18, 1929, he lived in Tomahawk, where he attended high school. Majoring in economics and biology, he graduated from the University of Wisconsin in 1951. He possesses Bachelor of Science and Master of Science degrees.

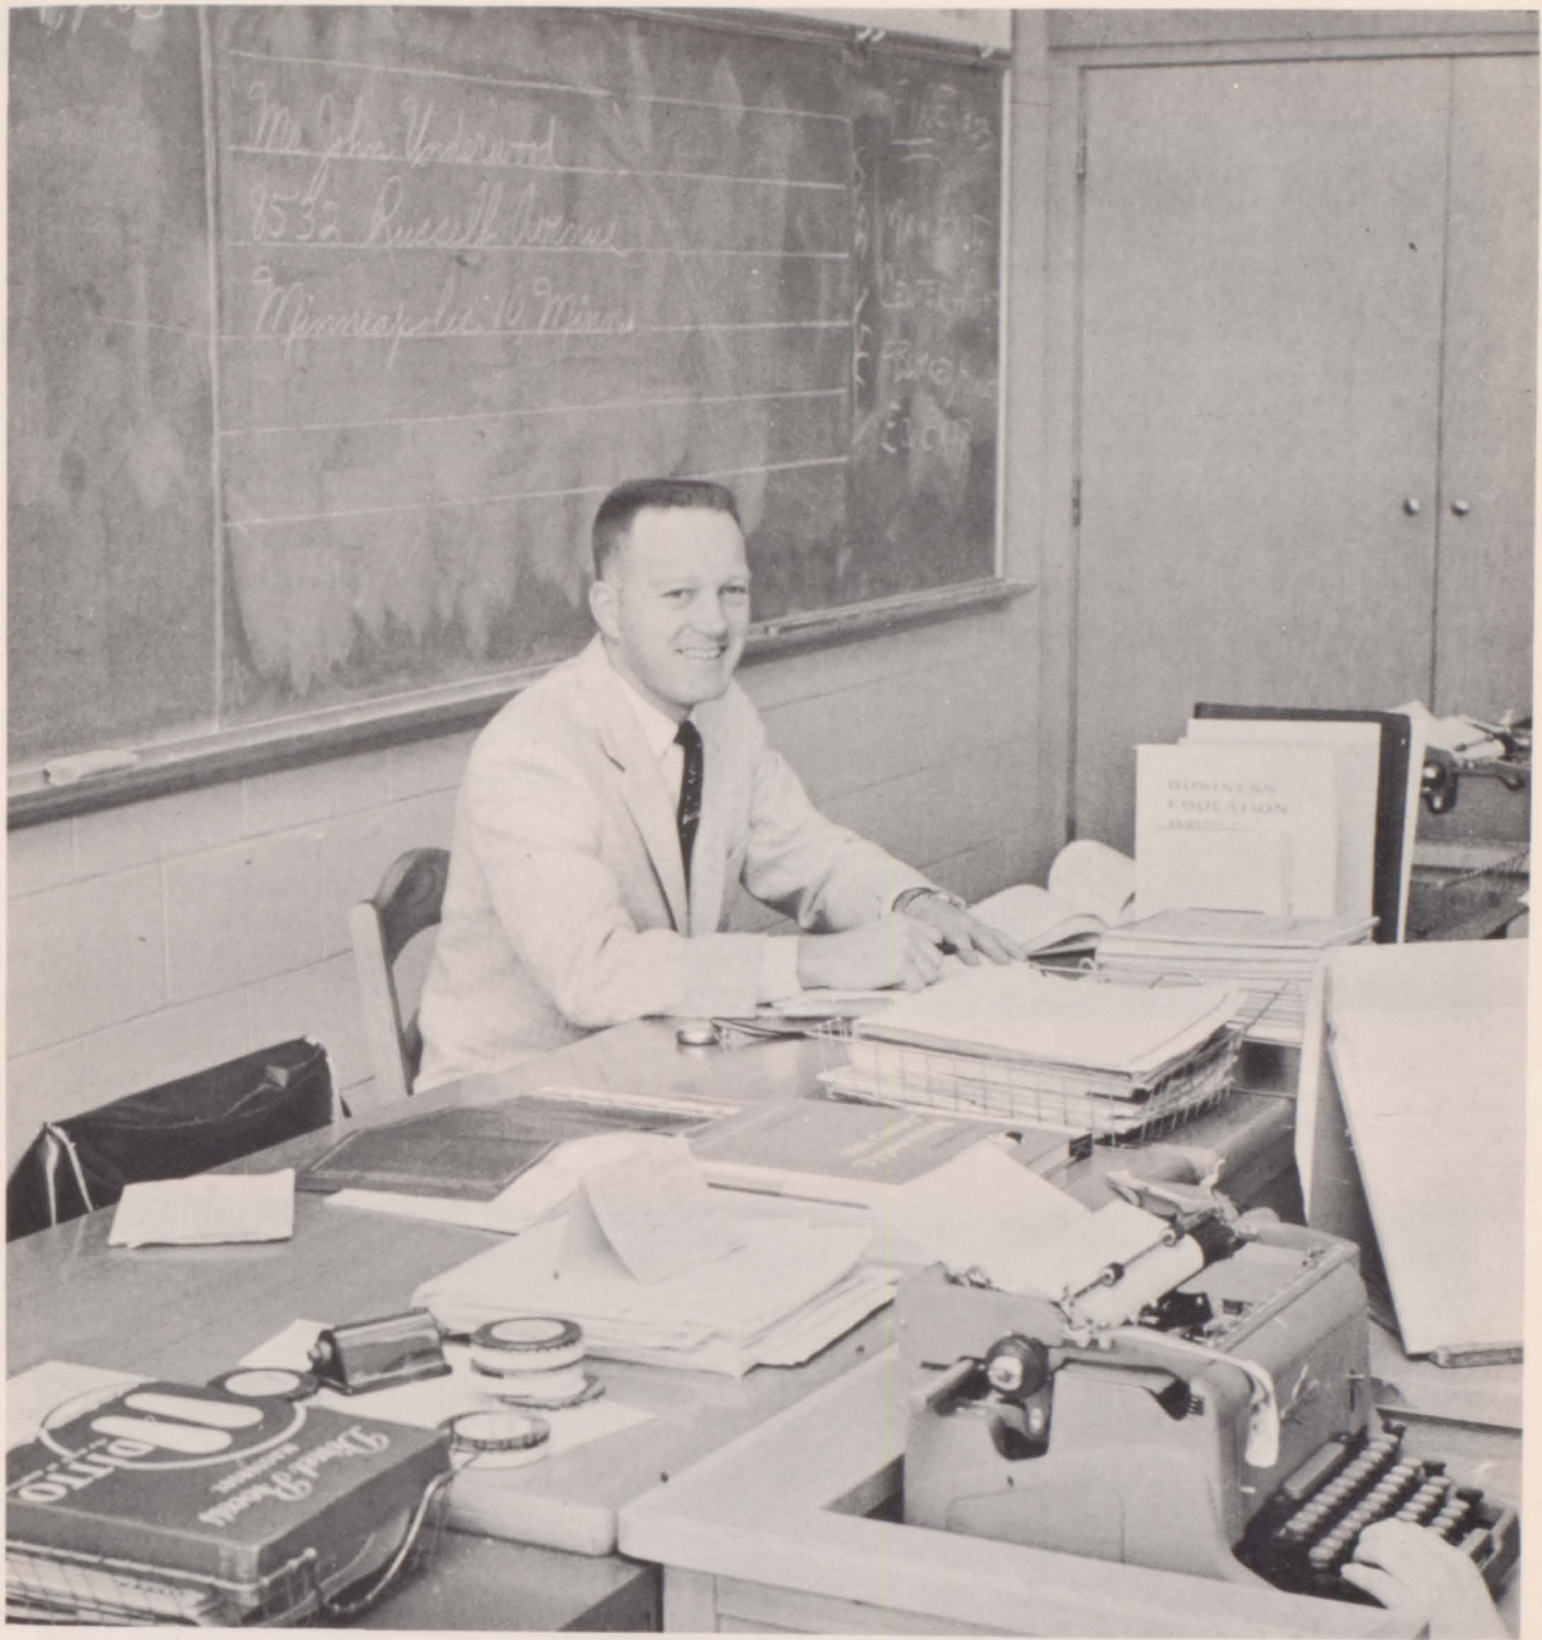

In 1953, while in Service, he married the former Virginia Trimble in Madison. They have three sons: Dale, Donny, and Dennis. The family resides in a new home in Seymour.

In his leisure time Mr. Timm likes hunting and gardening; watching westerns, comedies, and plays on TV, and listening to popular music. A favorite meal would include lobster or steak and pie.

He belongs to the Reserves in Menasha and is a former Sunday School teacher.

In appreciation of Mr. Timm's many contributions to Seymour High School, we respectfully dedicate the 1959 "Ripper."

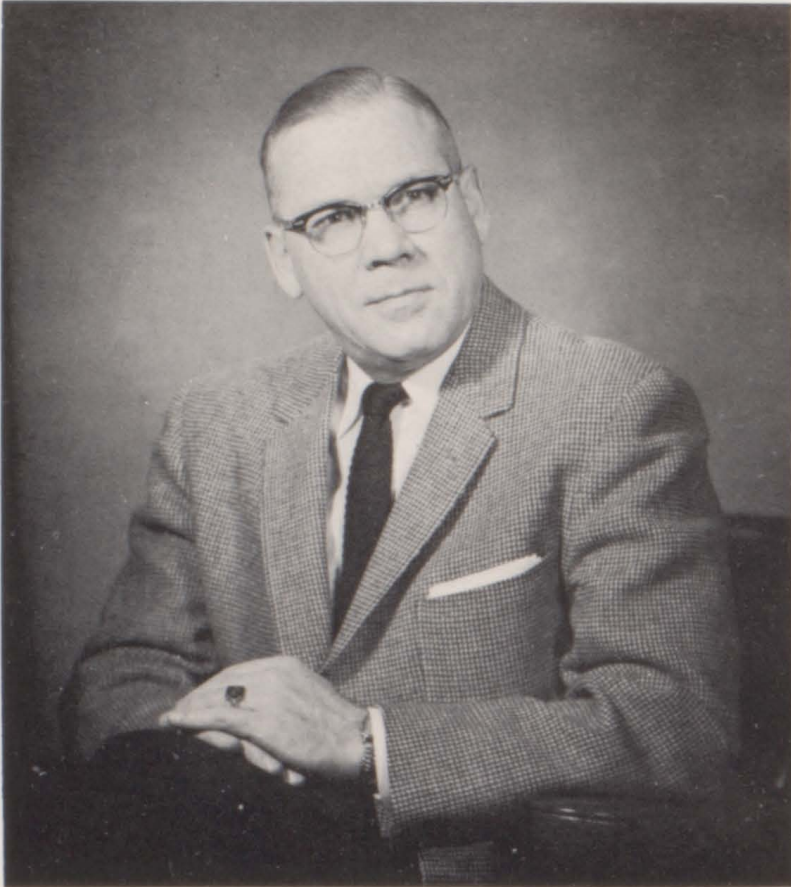

Mr. Chase joyfully contemplates his work.

As the hours of the morning pass, the aroma of delicious food fills the multi-purpose room. At 12:20 the students follow their noses to the cafeteria where our three cooks and their helpers serve the noon lunch.

Busy with brooms, mops, and dusting rags, these three men keep S.U.H.S. looking clean throughout the school year. When things need fixing, we just call on Les, Eddie, or Al.

## Senior History

The past four years have had, for the seniors of '59, much significance and they hold many memories. These have been busy years, important for all those concerned.

The year 1955 saw us as bewildered Freshmen. Our first major activity of the year was the Homecoming, where we won first place for our float. The dance saw us represented by Sue Kollath and Earl Heagle. The theme for the All-School Party sponsored by the Freshmen was "April In Paris," with entertainment on a French theme.

We were a little less bewildered as Sophomores in 1956. Our Homecoming candidates that year were Jeanne Henn and Dennis Braun.

As Juniors we were pretty well acquainted and spent a busy year. The Homecoming representatives for '57 were Myrna Dunst and Klaus Bark. That year we undertook one of the major activities of our high school career, the Junior Prom. The theme of the Prom was "Fantasia" with decorations that included a waterfall, castle, and a garden scene. Carl Kuehne was the chairman for the Prom. The Queen of Prom was Karen Gritt, escorted by King Ralph Matuszak. Serving them in the Court of Honor were Roberta Wassenberg and Dennis Sager, Karen Doersch and LeRoy Gerl, Jeanne Henn and Carl Kuehne, and Karen Fischer and Dave Maass. From the Junior class were chosen two boys and two girls to represent Seymour High at Badger Boys' and Girls' State. The boys chosen were Lynn Prelipp and Dick Ganzel; the girls were Barbara Boman and Sally Puls.

Experienced Seniors were we in 1958. This year, our last, has been an especially busy one. The Homecoming representatives were Karen Fischer and Keith Gritt. One of the major activities has been the "Ripper" under the leadership of co-editors, Barbara Boman and Myrna Dunst, and adviser, Mrs. Steffen. The Senior Class Play, Oklahoma!, directed by Mrs. Jenkins, was a big success. After the plans for graduation have been completed, we Seniors will be making important decisions concerning our futures. We feel that these past four years have been successful and profitable ones, and we would like to thank all those who helped us make them just that!

# Senior Prophecy

Here we are! It has already been ten years since our graduation. The Nobel Prizes for 1969 have just been awarded. They went to the most likely prospects from the class of '59.' Dr. Jean Droeger, who always wanted to live in Africa with the pygmies so that she would be the same height as everybody else, was awarded the prize for medicine; Sally Puls for her literary works; Physics went to none other than Loretta Moser; the Maintenance of Peace to Bernard Kowalchuk; and to Ronald Graunke for excellent research, the prize in Chemistry. This is the first time they have been together since graduation in '59'. . . Wouldn't a trip around the world to see old class mates be fun now that we have made our fortunes? . . .

The day has arrived for us to leave. Doris Genske, Naomi Kettner, Judy Henning, and Ruth Peterson are at the dock to see us off. They are employed as secretaries by the prominent New York business women, Theresa Wojciehowski, Betty Wirth, and Janell Wagner. . . .

First Mates Jim Coonen and Jim Weyers direct us to our state rooms. As we approach the pool, whom should we see occupying the life guard chair but Marilyn Weishoff. She always was an eye full in a bathing suit. Our meals are most enjoyable, served by Lois Buss, Helen Daoust, Janice Worsch and Betty Vick. . . .

Several days later we spend our first evening at Rheinhold Nettekoven and Francis Miannecki's "Moulin Rouge" in Paris. Karen Doersch and Bob Weyers put on a terrific floor show for us. At Betty Fuhrman's French Salon the next day, Judy Bliss and Arlene Scheelk, as head beauticians, style our hair. An hour later we are at Dave Johnson's House of Fashions. He orders manager Karen Fischer to arrange a style show for us. We see Mary Ellen Griesbach, Jolene Pierce, and Roberta Wassenberg as pretty as ever in the latest fashions. Shirley Bartman, who is still Dave's favorite model, is the highlight of the show in his most recent creation. . . .

Off to Italy . . . Margo Armitage is the guide for our tour in and about Rome. On the same tour with us are Karen Helmke and Dick Ganzel, who are spending their teachers' vacations in this fair city. Margo points out Kathy Brugger in a secluded spot, painting the ruins of Rome. We are held up a few minutes by the National Sports Car Racing Club, and are not suprised to see Tom Gritt, Nolan Kollath, and Dennis Muehl in the lead. At La Scala, Judy Blom is singing tonight. It's good to hear her voice again. Before we leave, foreign correspondent, Barb Boman, interviews us to find out how we are enjoying our trip. . . .

A stop-over in India is next. We see Secretary of Agriculture, Ronald Nelson, and his assistant, Melvin Sievert. We pick up a paper to see if there

is anything new going on in the world. The paper relates that Louis Decker is joy-riding in the latest rocket to the moon, launched by Calvin Kroner and Carl Ward. Pastor Ed Engel was there to see him off, but Louis didn't take it too seriously. Also in Sue Kollath's editorial column we read that the Department of State has sent Nancy Marcks to Africa to teach Ghana girls how to knit. . . .

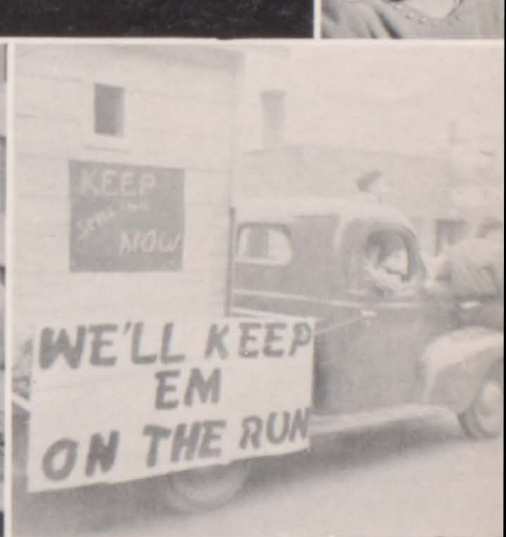

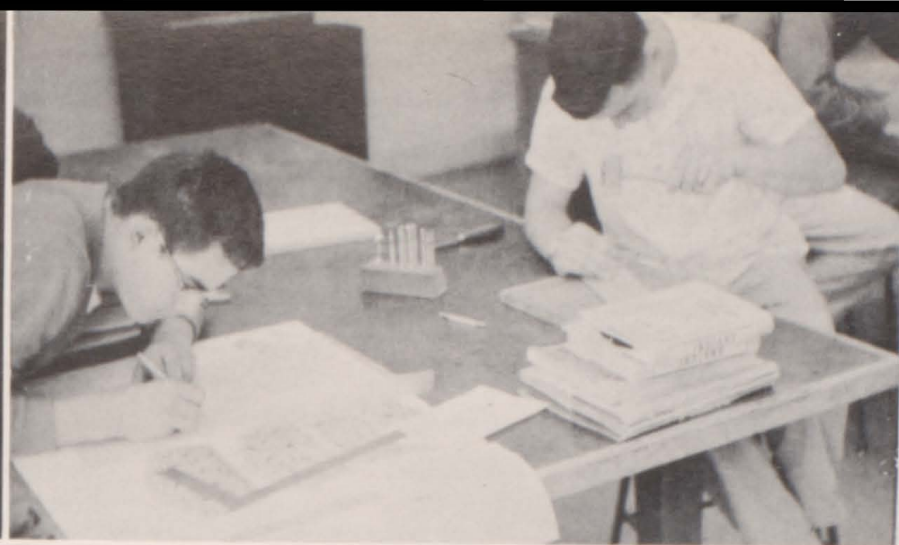

On our way to Australia . . . Vernon Witthuhn, our pilot, and Yvonne Rohm and Darlene Spaude, the hostesses, are seeing to it that we have a comfortable ride. Gloria Holz and Judy Buelow, who are working as missionary doctors with Mau Maus, are the first people we meet. It is certainly a thrill to see Linda Sachs, Gloria Marcks, and Dennis Braun all taking part in the Olympics at Sydney. On hand in case of any injuries are nurses Lois Weiland, Jean Drephal, Karen LaMarche, Judy Werner, Evelyn Kazik, and Mary Engel. We take time for a bite to eat and are served by Margaret Brocker, who tells us Joyce Banker is the restaurant's world-renowned chef. . . .

Next stop Japan . . . We hear the Globe Trotters are on tour here. Ken House and LeRoy Gerl are managing the team, so let's go watch tonight. On the starting line-up are Orren Kahnt, Phil Heuser, and Dave Maass. As we are about to leave for Hawaii, we see several handsome service men disembarking from their ships. In Army uniforms are Dennis Roskom, Florian Gerl, and Ken Olsen. Ralph Matuszak is with the Marines, and Ronald Peters and Earl Heagle with the Navy.

Jerry Draeger, Gene Stingle, and Dennis Sager are watching the hula girls, Myrna Dunst and Jean Henn on shore, as we dock. Big time lawyer, Carl Kuehne, is surf boarding up here, with his secretary, Karen Gritt. Here for the yearly Hawaiian Housewives' Convention, we see Kathy Banker, Judy Martzahl, Irene Steffens, Pat Schroeder, and Mary Jane Vander Zanden. Leon Smith is here photographing the convention. . . .

On board boat, Ceil Swiecichowski, switch board operator, brings us a message from Carl Henn, Warren Maass, and Jerry Baumgartner. It seems these ranchers are throwing a party for us when we reach Alaska. Our first day at Anchorage we spend at the races. Kathy Hackl, big time stable owner, has Keith Gritt riding her filly. Here comes Kate herself, chauffeured by Gary Maass. Off to the party . . . Gloria Kroner, Elaine Hegner, and Judy Peotter are already enjoying themselves. . . .

Back in the good ole U.S.A., Ronnie Murphy and William Vanden Langenberg offer their taxis to take us to our hotels. Our trip has been lots of fun, and it has been good to see all our classmates again, but it is good to be back home. Maybe in ten years we can take another trip.

Seniors All!

Freshman Initiation: Mop headgear, "sack" dresses, overalls and bathing caps. A Big Day for the sophomores!

Carole Melchert, Secretary; Mary Ellen Veitch, Treasurer; Dick Shaw, President; Gerald Brusewitz, Vice-President.

## Juniors

The biggest project for the Juniors this year was their colorful Junior Prom, "Oriental Paradise." One of the main attractions was Tony Winters and his orchestra.

Selecting their class rings was also a long anticipated task.

The float theme, "We're Expecting a Victory," won first prize in the Homecoming parade.

Class officers were President, Dick Shaw; Vice-President, Gerald Brusewitz; Secretary, Carole Melchert; Treasurer, Mary Ellen Veitch.

Nancy Birkholz, Secretary-Treasurer; Gerald Braun, Vice-President; Barbara Treml, Vice-President.

## Sophomores

The Sophomore Class thoroughly enjoyed giving the Freshmen the same treatment that they had received the previous year on Initiation Day. They managed to come up with some ingenious ideas which proved to be quite hilarious to everyone but the Freshmen.

The Sophomore Class was very proud when Mary Wagner and Pete Blom, their candidates, were crowned King and Queen of the 1958 Homecoming.

Class officers were President, Gerald Braun; Vice-President, Barbara Treml; Secretary-treasurer, Nancy Birkholz.

Sharon Braun, Secretary; Mary Gritt, Treasurer; Mike Puls, Vice-President; Janet Reese, President.

## Freshmen

One of the most memorable days for the Freshman class was the day when they officially became a part of student body. On this occasion, Initiation Day, the girls looked very "smart" in their attire made up of large bibbed overalls stuffed with bed pillows, swimming caps, and work shoes for their feet. The boys were dressed in the "latest creations," consisting of "fashionable" chemises made of gunny sacks, mops to take the place of their hair, and heels to supply the finishing touches.

Joel Grunwaldt and Mary Gritt made a fine representation for their class in the Homecoming Court of Honor. "We'll Hatch A Victory" was the title of their float.

Class officers were President, Janet Reese; Vice President, Mike Puls; Secretary, Sharon Braun; Treasurer, Mary Gritt.

Under the guidance of Mr. Behrendt and Mr. Jersey, faculty advisers, the Student Council was very active. To start the ball rolling, each home room selected a representative and an alternate to voice their opinions.

Then to secure capable leadership, a campaign got underway. The Loyalists, nominated Dick Gosse for vice-president and Janice Lathrop for secretary. Heading the Progressive ticket were Carole Melchert for vice-president and Kathy Stephani for secretary. Carrying the Federalist banners were Dick Shaw for vice-president and Judy Karweick for secretary. After a very spirited campaign and rally, Dick Gosse and Janice Lathrop were elected. Janell Wagner was chosen treasurer by the principal and advisers. Lynn Prelipp was the president, elected the previous year.

All of the council representatives and alternates are assigned to specific committees. The Noon Hour Recreation Committee plans noon hour activities. It is the duty of the Social Affairs Committee to schedule and take charge of school dances and parties. The Entertainment

Committee plans the Christmas party and selects lyceums. The Collections Committee has charge of the Charity Chest Drive. This year, the \$405 that was collected went to CARE, Red Cross, and Save the Children Federation. This committee also conducted the March of Dimes drive. They sold Blue Crutches, peanuts, and staged a benefit basketball game. The Courtesy Committee seats and receives guests, sends sympathy and get well cards, and acquaints new students with the school. The Citizenship Committee conducts locker inspection, takes care of the suggestion box, and promotes good citizenship.

Mary Wagner, Dick Gosse, Mike Puls, and Janice Lathrop, accompanied by Mr. Jersey, attended the State Student Council Convention at Shorewood, October 17 and 18. The theme of the Convention was "To Lead is to Learn," and was highlighted by discussion groups, election of the State Executive Committee, a banquet, dance, and a host of excellent speakers. Janice Lathrop was elected to the Executive Board.

This year we had something different in the way of a one-act play, a Chinese fantasy, entitled "Turtle Dove," under the direction of the "most honorable" Mrs. Jenkins. The play cast included Carl Kuehne, Nancy Nussbaum, Judy Buelow, Judy Stephani, John Cumicek, Janell Wagner, and Myrna Dunst. Dick Shaw and Jim Reese served as stage crew. Seymour competed against Pulaski and Oconto Falls in the One-Play Contest, which was held at Seymour, and received a "B" rating.

This year's Senior Class Play was the Broadway hit, OKLAHOMA. The scene for this musical comedy was Oklahoma as an Indian territory in the early 1900's. The music by Rogers and Hammerstein included "Oh, What a Beautiful Morning," "Surrey with the Fringe on Top," "Kansas City," "I Can't Say No," "People Will Say We're in Love," "Pore Jud," "Out of My Dreams," and "Oklahoma."

An outstanding performance by the cast, the music, and the artistic sets all combined to make the production a memorable one.

The past year has been a particularly interesting one for the Dramatics Club members. In November they presented "Wildcat Willie Carves the Turkey" for the enjoyment of the school. The Christmas program was the Nativity. Also, the members had a Christmas banquet at the hotel. On February 18 the members presented a Brotherhood Program. For many members, going to see "Teahouse of the August Moon" and "The Lark" at the Community Theatre was a new experience. So was the visit to the television studio of Station WFRV-

TV. The club entertained the patients at the Hickory Grove Sanitarium with a variety show on Thursday, March 5. The members' final activity was the spring picnic.

The officers were Karen Helmke, president; Jean Droeger, vice president; Janice Reinke, secretary; Janell Wagner, treasurer; and Carol Vanden Heuvel, reporter. Mrs. Pelischek was adviser of this ninety-member organization.

The question this year was Resolved: that the United States should adopt the essential features of the British system of education. The result was a group of Debate students hunting facts and figures about education, under the direction of Mr. Watson.

This year the District Contest was held at Green Bay West High School. Seymour won one and lost five.

At the Conference Contest at Preble, Seymour won four and lost two. This gave the Debate team second place.

The Guide-O-Ways is a self-governed organization of 34 juniors and seniors. The officers are Leon Smith, president and Mary Ellen Griesbach, secretary-treasurer. These officers appoint committee chairmen, who select the members to usher at all school events, for which service they receive points toward a school letter.

The boys park cars at football games and usher at basketball games, while the girls collect tickets and hand out programs. Wearing formals, the girls usher for Commencement, Baccalaureate, and Class Night. Mr. Schnur advises this group.

The library provides a lounge area where students and teachers may find a little relaxation from their ordinary routines, as well as a complete reference section and a varied collection of books.

Mrs. Jenkins, the librarian, had twenty-seven student assistants, who signed up at the beginning of the year. Anyone who is interested in reading books and helping people would enjoy working in the library. The student assistants have charge of the circulation desk and check books in and out. They also read and straighten shelves, help process books, make book displays, and file cards.

Girls in the Office Practice Course volunteer at the beginning of the year to work in the office.

Many of the things the office assistants do are collecting absence slips, typing them out and delivering a list to each teacher, checking the lunch count, and filing passes. Other jobs to be done are re-typing attendance reports and envelopes for report cards each quarter, and stamping lunch tickets each week. The office assistants also run errands.

For working in the office, the assistants earn points toward getting a letter.

The Seymour Union High School band, under the direction of Mr. Leon Flanagan, plays for many school functions, including basketball and football games. At these games, the band plays before the game and at the half. Their peppy marches and novelty numbers give both the team and spectators a little "lift." Three concerts are presented annually. The first was the Christmas Concert. The Midwinter Concert was presented on a Sunday afternoon in February. The Spring Concert came in May. These concerts are presented jointly with the choral department. In addition, the band played for many community affairs and participated in several parades in neighboring cities.

The band participated in the District Music Festival. This is divided into a Solo-Ensemble tournament and a non-competitive festival in which the band performed as a unit. The Solo-Ensemble tournament was held in Seymour, April 4. This first prize winners in this festival went to the State Contest in Madison on May 2. The non-competitive festival was held in Kimberly on April 18.

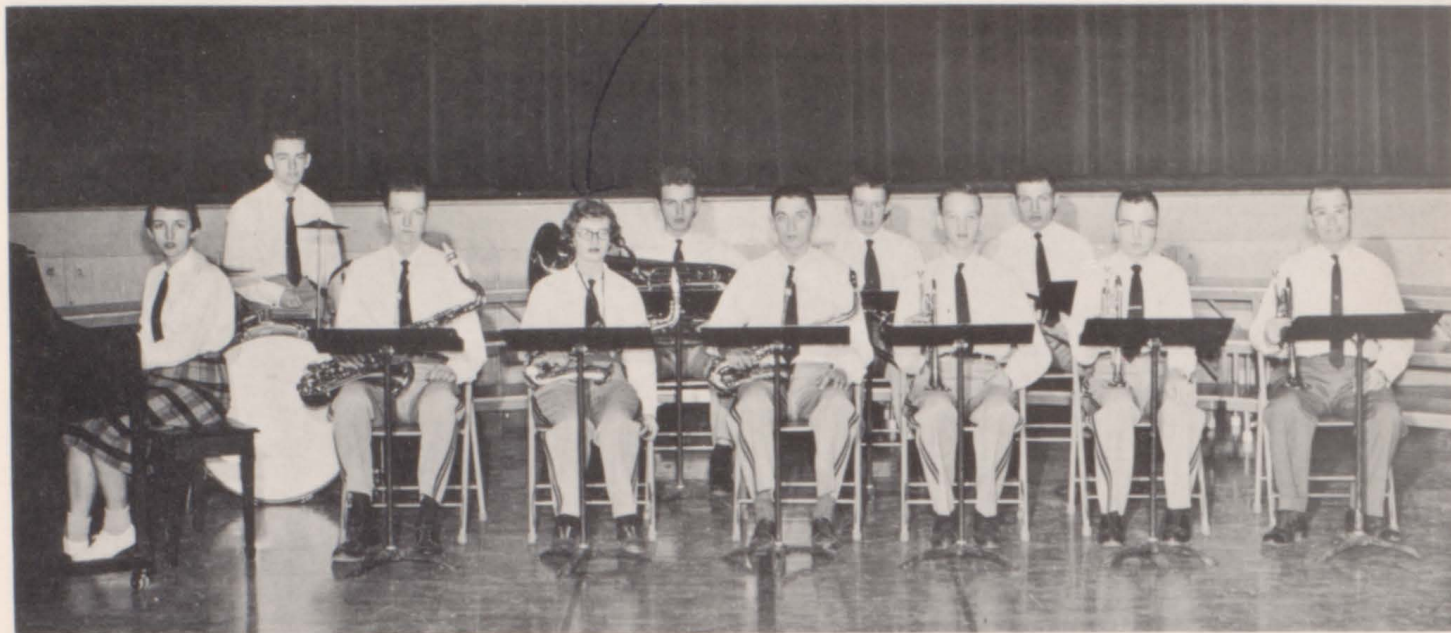

Just how does a person get into band? He begins his band work by joining Junior Band in grade school. In this band, one learns music fundamentals. Students are taught individually and also play with other students on different types of instruments. As soon as one qualifies, he is moved up to Senior Band.

At the beginning of the year, band officers were chosen: President—Barbara Boman, Vice-President—Dave Maass, Secretary-Treasurer—Karen La Marche, Head Librarian—Karen La Marche, Assistant Librarians—Judy Henning and Judy Karweick, Student Director—Barbara Boman, and Band Manager—David Hopkins.

Along with the chorus the band cut a record, which included many favorite songs, both old standards and novelty numbers.

One of this year's highlights was the band trip to Green Bay to hear the U.S. Marine Band on October 23.

The school dance band is organized to give added experience to band members interested in studying modern rhythm patterns and small ensemble arrangements. The dance band rehearses once each week during the noon hour. It provides dance music for some of the school dances and has, on occasion, provided entertainment for civic groups. Dance band members this year are Karen Doersch, piano; Nolan Kollath, bass; Don Wendt, drums; Bonnie Peterson, Mel Sievert and Dave Maass on saxophone; Mr. Flanagan, Kenneth Doersch and John Cumicek on cornet; and Ronald Graunke and Lee Powell on trombone.

The majorettes are four girls who are selected each year on the basis of try-outs. Any girls in school are eligible for try-outs. The basis for selection includes appearance, ability to keep time, and twirling ability. The twirling lessons must be obtained privately. The majorettes parade with the band on parade occasions in which the band is in uniform, except on Memorial Day. This year the four majorettes are Marlene Zibell, Sharon Runnoe, Jean Ann Kroner, and Carol Flanagan. Mr. Flanagan is the adviser of this group.

It is the job of the editors to decide on a theme, organize the layout of the book, and keep the committees working to meet the deadlines.

The eleven committees, the chairmen of which constitute the Executive Committee, are business—Carl Kuehne, ch.—make up the budget and take care of the financial end; sports—Dick Ganzel, ch.—in charge of the sports pictures, write-ups, and statistics; photography—Betty Wirth, ch.—work with student and professional photographers; classes—Sue Kollath, ch.—get pictures of

all underclassmen into the "Ripper"; features—Jean Droeger, ch.—in charge of informal snapshots; clubs—Loretta Moser, ch.—responsible for the pictures and write-ups of all organizations; faculty—Janell Wagner, ch.—get a picture and write-up of each faculty member; seniors—Sally Puls, ch.—responsible for the seniors' pictures, sayings, and lists of activities, also the history, will and prophecy; classrooms—Gloria Marcks, ch.—collect pictures of special class projects; art—Marilyn Weishoff, ch.—draw the artwork; and typing—Lois Weiland, ch.—type the write-ups before sending them off to the printer.

Formerly the "Ripper" was solely a senior project. This year many underclassmen worked on the committees.

## *The Chorus*

This year chorus was a picture of bustling activity, under the direction of Mrs. Pasch.

Chorus is divided into two sections, which are in two different hours, so as to give more attention to individual work. Then these sections are divided into singing parts (sopranos, second sopranos, and altos.)

The year started with getting settled and divided. A surprise for the girls was in the making. They learned later at an assembly that they had been asked to sing at the State Convention of School Boards at Milwaukee. To cover the costs, a record was made by the chorus and the band.

But the girls had to forget about that for the moment, in preparing for Open House, November 11.

Next was the preparation for that annual production, the Christmas Concert, held December 16. Tickets were sold and the proceeds went to the SAF fund.

After Christmas vacation there were just three weeks left in which to practice for the convention at Milwaukee.

After difficulties, namely a snowstorm, which came the day before, the chorus was on its way. Getting home at midnight, the girls felt that, in spite of lost sleep, it had been a wonderful experience.

The Midwinter Concert, on February 8, was next on the list.

Spring events included the tournament for solos and ensembles, April 4; the tournament for the whole chorus, April 18; and the spring concert on May 12.

The last thing on the agenda was singing at the Commencement exercises held May 28.

TRIPLE TRIO

Besides the Girls' Chorus, there were three smaller groups of girls—the Triple Trio, the Quartet, and the Trio, which sang for school concerts and for the School Board Convention in Milwaukee.

The Quartet also performed for groups in this community. In 1958 they attended the State Music Tourna-

ment at Madison. The girls wore red and white ensembles and sang Barbershop Quartet style.

The Trio has also performed for local organizations. These girls wore green dresses for their performances and sang popular songs.

The second year of the Latin Club, under the guidance of Mrs. Jensen and led by officers: Sally Puls—president; Judy Karweick—vice president; Jean Henn—secretary; Pat Otto—treasurer; Nancy McGillivray—historian; and Loretta Moser—reporter, has been filled with events. In October the members entered a float in the Homecoming Parade, in January they presented a lyceum for the student body, and in April gave a Roman banquet for the teachers. At the monthly meetings the members learned about the Romans, their homes, games, holidays and way of life.

Under the direction of Mr. Wolk, the past year has been a versatile one for the Science Club. The officers were Nolan Kollath, president; Jim Spaude, vice-president; Cathy Brugger, secretary; and Leon Smith, treasurer. Some of the projects presented to the members concerned sound waves, reasons behind the weather, atomic energy, and radiation detection instruments. Members also assumed special duties, such as operating the movie projectors, slide projectors and tape recorder, and taking pictures for the "Blue Jay" and the "Ripper."

The Future Homemakers of America has eight purposes which it promotes. They are as follows:

1. To promote a growing appreciation of the joys and satisfactions of homemaking.
2. To emphasize the importance of worthy home membership.
3. To encourage democracy in home and community life.
4. To work for good home and family life for all.
5. To promote international good will.
6. To foster the development of creative leadership in home and community life.
7. To provide wholesome individual and group recreation.
8. To further interest in home economics.

By various activities the organization tries to fulfill these purposes.

The F.H.A. motto is "Toward New Horizons." The red rose is the flower and the colors are red and white. The emblem is octagonal in shape, with "Future Homemakers of America" around the top and "Toward New Horizons" around the bottom. In the center there is a house supported by two hands. It symbolizes that the homes of America are in the hands of its youth.

The F.H.A. has a variety of activities. A Program of Work, which is planned at the beginning of each year, includes all the activities which will be carried out that year. Selling candy, gum, and potato chips at basketball and football games, selling pencils, and selling various other things are some of the money-making activities. The girls serve at the F.F.A. Banquet and the Athletic Ban-

quet. An Initiation Ceremony is held in the fall for initiating new members. A Style Show is also held near the end of the year. The Mother-Daughter Banquet is the climax of the year's activities; a delicious meal is served and a program and entertainment complete the evening. The girls enjoy planning this banquet. With all these activities, the members have many committees which they can work on.

There are Junior, Chapter, and Wisconsin Homemaker Degrees for which the members can work. In working for these degrees, the members choose goals and then show the progress they have made in achieving them. The girls can also enter a demonstration contest. If they win local and other contests, they may give the demonstration at the State Fair. There also is a cherry pie baking contest for members to enter. Each month a bulletin board is put up in the homemaking room by one of the officers. It is about an activity or some phase of F.H.A.

There are also a number of summer activities concerning the F.H.A. Four members are chosen to attend the State Convention held each summer. The girls interested in sewing enter the county dress revue. Other members have a chance to exhibit their projects at the county fair. The F.H.A. also constructs a booth at the county fair. Some of the girls may enter as candidates for queen in Valdres' Egg Festival. The members are kept busy with activities throughout the year.

Two mothers of girls in F.H.A. are chosen as Chapter Mothers each year. They attend meetings of the chapter.

F.H.A. advisers for this year are Miss Wodlarski and Miss Folkman.

One of the larger organizations at Seymour High is the F.F.A., or the Future Farmers of America. One of the organization's many purposes is to encourage its members in the development of individual farming programs and to make an establishment in farming. Another purpose is to develop character, train for useful citizenship, and foster patriotism.

To become a member of the F.F.A., the student must be enrolled in a class in Agriculture, be familiar with the purposes of the F.F.A. and the program of work of the local chapter; also each member must be able to recite from memory the Creed of the Future Farmers of America. If the candidate receives a majority vote of the members present at a regular meeting, he can become a member.

There are two grades of active membership in the F.F.A. chapter. One is the Green Hand Degree and the other is the Chapter Farmer Degree. In order to have the Chapter Farmer Degree, one must have held the Degree of Green Hand for at least one year and must have had a record of satisfactory participation in the activities of the chapter.

Officers of the chapter are elected annually by a majority vote of members present at a regular meeting. Chapter officers have to hold the Degree of Chapter Farmer before they can be elected. No person can

hold the same office two years in succession. He must have a good Farming Program in operation and must have handed in a satisfactory Supervised Program Record book from the previous year. He must have "C" average or above in all subjects for the first semester of the current year.

The officers and the chairmen in charge of major sections of the annual program of work will constitute the Chapter Executive Committee. This committee has full power to act for the chapter according to actions taken at chapter meetings and regulations or by-laws adopted from time to time.

There are regular meetings held once a month during the school year and once a month during the remaining year at the time and place designated by the Chapter Executive Committee. The two delegates sent to the State F.F.A. Convention are the President Elect and the Treasurer Elect for the ensuing year.

One of the many activities the F.F.A. chapter has is Earnings and Savings. To make more money for the F.F.A., this chapter sells such things as magazines, gloves, and pop at basketball games. It also sells tickets sponsoring a movie.

Many members show their efforts at the county fairs.

Mr. Lerum and Mr. Tech are the advisors of the organization.

When the school paper began, it was called the "Blue Jay" because that particular bird chatters, and the paper was to do the same.

Under the supervision of Miss Vande Walle, the "Blue Jay" staff has turned out a paper a month this school year.

The staff was headed by the editor-in-chief, Sue Kollath, who supervised the over-all set-up. Assisting her was the junior associate editor, Carole Melchert, who will be the editor-in-chief next year. The associate editor is chosen on ability to organize and her interest in the paper.

The other heads were the sports editor, Lynn Prelipp, and the feature editor, Gloria Holz. The sports department was in charge of writing up all athletic events. The feature department reported special happenings in the school.

The other members of the staff were under the various departments and were assigned particular jobs.

This year, to cut expenses, instead of having the paper printed, the typing classes did them as a special project. The subscription cost to the students was \$.25 for the year.

Let us imagine that you are on the "Blue Jay" staff.

Every month you are given your assignment. Let us say that you received the task of writing about fashions. You might consult articles on fashion. You perhaps get other people's opinions, so as to give the article more personality. Then you draft the article and keep re-writing it until you are satisfied.

After you turn it in, the proof-readers go to work. The Office Practice class then types and mass produces it with the equipment used in that course.

A quick perusal of a sample "Blue Jay" shows us that the sports department wrote a few articles about the basketball games held that month, describing the action and some of the individual plays during the games. They also have some writeups about the teams of other schools. There is a feature story about school spirit.

The Roving Reporters have an odd question and quiz students who are off guard, resulting in some unusual, and often humorous, answers.

There are reports on activities of various school clubs and organizations. Then to challenge the intellectuals, there is a crossword puzzle,

News plus entertainment equals the "Blue Jay."

## The Pep, The Pep! Let's Go!

"A" SQUAD CHEER LEADERS  
M. Weishoff, C. Melchert, J. Drephal, K. Doersch, S. Puls

When the school spirit was low, it was these girls who brought the student body out of the rut. The girls were out helping to win the games just as much as the boys playing the games. It's surprising the noise these beautiful girls can make to lead the Indians on to victory. They worked very hard preparing for the pep assemblies, which were held before each Friday's game. To add to the attractiveness of the Seymour Cheerleading uniforms, the "A" squad wore Indian-

feathered head bands.

Every Monday and Wednesday after school they worked very hard perfecting new cheers. Also at this time they received comments from Miss Dobrunz on their cheering the week before.

These girls are the best, as they were chosen at the beginning of the basketball season by the faculty and student body.

## FOOTBALL—"A" SQUAD

### SEYMOUR 12—NEW LONDON 6

With the experience and spark of 14 lettermen, Seymour opened the season by feeding the New London Bulldogs a loss and gaining a little self-confidence. Seymour took the lead with a pass from Larry Mory to Byron Wendt, but the Bulldogs returned and tied 6 all. The game remained tied until the closing minutes when Wendt again came through with a pass from Lynn Prelipp and pushed the Indians to a victory.

### SEYMOUR 0—ALGOMA 25

As quickly as it was received, the feeling of victory slipped from the Indians with a loss to the Algoma Wolves. The attempts at denting the Wolves' line were only rebounded by hardworking offensive players who marked up 4 T.D.'s and an extra point to take a 25-0 victory.

### SEYMOUR 7—OCONTO FALLS 20

Our Indians were again set back when Oconto Falls handed down a 20-7 loss and a second defeat. Seymour's seven points were collected by Dave Johnson on a four yard plunge for a T.D. and again for the extra point.

### SEYMOUR 0—STURGEON BAY 26

Sturgeon Bay's Clippers sailed by the Seymour defense and held the Indians to the wrong end of a 26-0 score. In spite of all the hard work, Seymour could not break the Clipper line.

### SEYMOUR 30—OCONTO 14

The season's tribal pow-wow proved a great success when, after a fine display of teamwork and good ball handling, the Indians forced through the Blue Devil opposition to stand out with a 30-14 victory. Running 86 yards, Lynn Prelipp began the scoring and was followed with a pass play from Larry Mory to Bernie Cornelius for a second T.D.

Again in the third quarter, Cornelius ran off tackle for a T.D., and Jim Coonen picked up a Blue Devil fumble and ran 30 yards for another boost in the Indian score. Larry Mory finished the game with a final run in the fourth quarter.

Fine opposition was displayed when the Blue Devils broke through the Indian line to mark up 2 T.D.'s.

### SEYMOUR 8—KEWAUNEE 20

Hard charging and fine ball handling proved successful for Kewaunee as the Indians received their fourth loss for the season. Larry Mory carried on a sneak for forty yards and the only T.D. for Seymour. Kewaunee came out with 3 touchdowns.

### SEYMOUR 7—WEST DE PERE 19

A combination pass play and run proved the only successful play for Seymour. Byron Wendt snatched a pass from Lynn Prelipp, and Larry Mory scored an extra point on a sneak. Fine football was displayed by the West De Pere Phantoms as they remained on top of a 19-7 score.

### SEYMOUR 6—PULASKI 21

A final effort by the spirited team was suddenly twisted as the Pulaski Raiders connected on 3 T.D.'s and covered over the single Indian touchdown. Phil Heuser pulled in a pass from Larry Mory and marked up the first points of the game. Injuries weakened the Indian line, but spirit and fight proved the biggest factors.

## SUMMARY

The team was coached by Don Chambers, assisted by Ray Gulbrand. ## Junior Varsity Football

The 1958 season started slowly for Coach Dave Hess and the junior Indians. Many of the freshmen and sophomores who made up the squad lacked experience; but as the team gained experience, things began to look up. By the end of the season he had developed a pretty fair

team, which someday will make a fine varsity squad.

Their record was 2 wins, 1 tie, and 5 losses. Pete Blom, quarterback; Lyle Mielke, and Bob Schroeder, linemen; and Jerome Witthuhn, defensive halfback, showed great varsity potential.

## 1958-59 SEASON

In his fourth year as head basketball coach, Ray Gulbrand led the Indians to a fourth place tie in the tough Northeastern Conference.

Coach Gulbrand's team had a conference record of 8-6 and an over-all record of 10-9.

At the start of the season the team was solid on all positions. The front line was anchored by the returning letterman Lynn Prelipp, and two Junior Varsity members, Ronnie Johns and Dick Gosse. Giant 6' 4" Orren Kahnt, the team's leading rebounder, and second stringer Dave Maass fortified the pivot spot.

The guard positions were filled by three-year letterman Larry Mory and two-year letterman Phil Heuser, the team's M. V. P.

As a matter of fact, Heuser and Mory were two of the leading scorers. Dick Shaw and Rodney Krull were the able reserves who saw plenty of action.

The Indians opened the season by winning five con-

secutive games, three conference and two non-conference.

One of the high lights of the season was a double victory over Oconto High School, one of the conference supposedly better teams, and also a double sweep over arch-rival Pulaski. The Indians achieved a 70 point game against Oconto Falls.

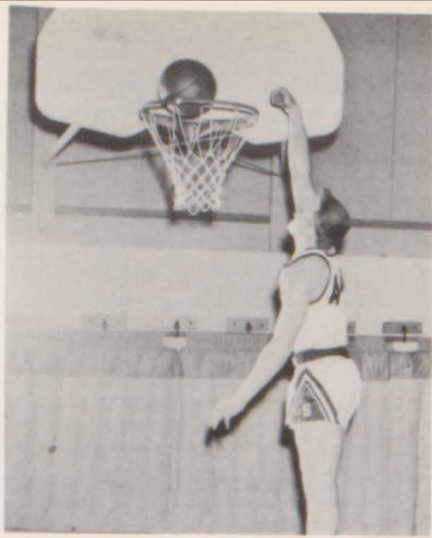

The S.H.S. basketball team had excellent balance all year long.

Four players scored 100 points or more. Larry Mory led the way with 240, followed by Orren Kahnt and Phil Heuser with 186 and 185 points, respectively. Orren Kahnt and Dave Maass snared a total of 255 rebounds.

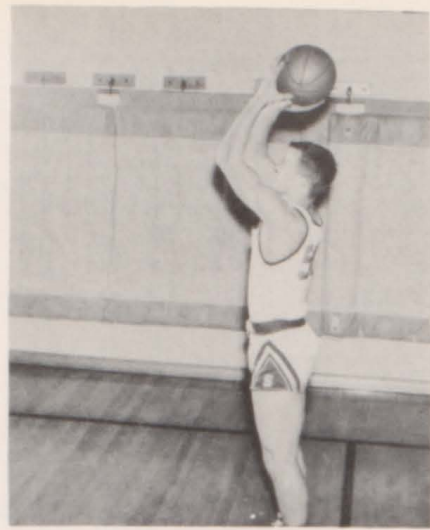

Next year's prospects look bright, with five experienced returning: Larry Mory, Dick Gosse, Ronald Johns, Dick Shaw, and Keith Krueger. Mory has the best shooting touch in school. Dick Shaw, an excellent replacement, is capable in all five positions.

The G. A. A. (Girls' Athletic Association) has kept the girls in top physical condition. Throughout the past year they have had many exciting and enjoyable events and activities. The first of these in the fall was bowling. Myrna Dunst was the sport head, with Patsy Otto assisting her in organizing and computing of totals. Next in line of the sports was basketball, with Linda Sachs as sport head. Then came the big volleyball tournament. Doris Genske was the sport head of this. The class of '59 has won the trophy for the past four years. Badminton, with Ruth Mueller as sport head, ended the indoor activities for

the year. Last of all, was the tennis playoff, with Bobbie Wassenberg as the sport head.

Ending all activities were the annual high school Play Days. Five girls were selected to attend the Play Day at Wisconsin State College, La Crosse, accompanied by their advisor, Miss Dobrunz.

The officers for the past year, who have done their best to make the G. A. A. a success, were as follows: president, Barb Boman; vice-president, Marilyn Weishoff; and secretary-treasurer, Judy Bliss.

Remember the Class of 1959's fabulous junior prom? Let's take a trip back into time and relive that "enchanted evening."

The date is May 2, 1958; the time around 9:00 or 9:30 at night. You and your date are driving to the school now in a car that miraculously seems to have become a winged chariot. Perhaps you snapped some photographs before you left to help you to remember this night always. Or maybe you have just said your thanks and good-byes to the hostess at a "coke-tail party" you attended.

After the car is parked and the coats delegated to cloakroom officials, the fun begins. Of course, all the girls must stop at the powder room to make sure their hair is in place and their noses aren't shiny. As you prepare to enter, a dance program in the form of a tiny black book with a flowing white tassel is presented to you.

An air of secrecy and activity has been present in the school corridors and classrooms in anticipation of the Prom. Now at last the time to visit Fantasia has arrived. You step over a golden bridge beside an evergreen-surrounded waterfall, which flows into a stream.

The melodic strains of the music of Tony Winter's Orchestra puts you in the mood for a dreamy evening of dancing. Ginger Rogers and Fred Astaire never

danced as gracefully as you and your partner do tonight.

Perhaps you will stop to chat with a few friends and decide to step into the multi-purpose room for some refreshing punch. When you return to the land of fantasy, you may want to sit out a few dances in the chairs which form a garden scene at one side of the room. From your position you view the massive gray castle which is so essential to all charming stories of make-believe.

Soon the time comes for Queen Karen Gritt and King Ralph Matuszak and their court to be presented to the prom-goers. They mount the steps leading to the castle. Here, the King and Queen of the previous year, Jim Burdick and Mary Keune, crown the 1958 royalty. The members of the court—Roberta Wassenberg and Dennie Sager, Karen Doersch and LeRoy Gerl, Jean Henn and Carl Kuehne, Karen Fischer and David Maass—look on in admiration.

The music of "Make Believe" fills the room, and the dancing resumes.

Finally the time comes when you must leave. From the moment you step over the golden bridge to depart until you're back in the car, you think of the splendor of Fantasia. Later when you reach home, you drop off to sleep, closing heavy eyelids over starry-eyes and drifting into another make-believe land of dreams.
