Our Living the Time — Time, where does it go? It seems like only yesterday school started, and here we are near the end of another school year. There is nothing we can do to turn back the pages of our lives, but the 1976 RIPPER will bring back some of the wonderful memories

Today is the day, Tomorrow is a new day — begin it well and serenely and with high spirit.

Stairway to Heaven

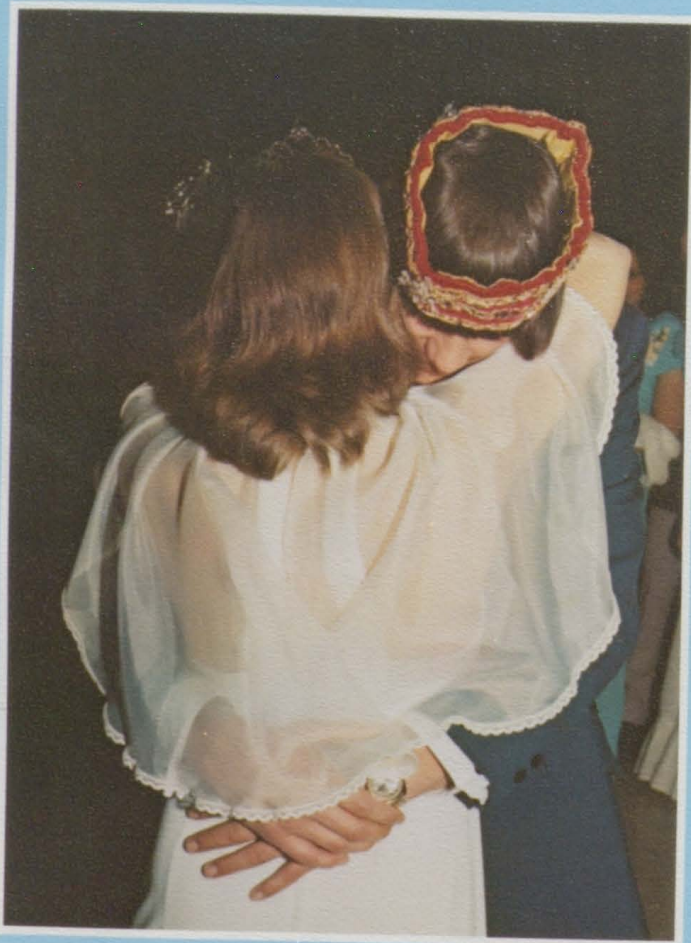

A tunnel of love was only the beginning of the many beautiful settings of the Junior Prom on the evening of April 19th.

It took months of planning by the Class of "76" to prepare for the theme, "Stairway to Heaven". The room was elegantly decorated with a stairway for the court, a fountain, and a stone pathway

leading to the enchanting restaurant, "Cloud Nine", all in the colors of royal blue and powder blue.

The climax of the evening was the arrival of the court. King Mike Mielke and Queen Carol Clevon were crowned by the royalty of 1974, Deny Gruel and Pam Muenster. Tom Kimball and Karen Kraft, John Raymaker and

Sue Brugger, Greg Palubicki and Sue Tech, Kelly Berken and Sandy VandeCorput fulfilled the court. The night was complete with the fine music of "Spice", playing our theme song during the crowning and on into the evening making the Junior Prom of 1975 a truly successful event.

The crowning of the

The 1975 prom royalty

There's a lady who knows all that
glitters is gold. and she's buy-
ing a stairway to heaven. and
when she gets there she knows
if the stores are closed. With a
word she can get what she
came for. There's a sign on the
wall but she wants to be sure.
Cause you know sometimes words
have two meanings. In a tree by
the brook there's a song bird who
sings. Sometimes all of our
thoughts are heaven. There's a
feeling I get when I look to the
west. and my thoughts I have
seen rings of smoke through
the trees. and the voices of
those who stand looking. and
it's whispered that soon if we
all call the tune. Then the pi-
per will lead us to reason. and
a new day will dawn for those
who stand long. and the for-
ests will echo with laughter.
and she's buying a "Stairway
to Heaven."

SUMMER IN FRANCE FOR CINDY

Cindy's French home.

Pour moi, la France est un pays vivant. Ma famille française, les Buis, m'a bien accepté. Je comprends mieux la vie française, les Français, et surtout moi-même. J'apprécie maintenant les Etats-Unis et ce que mon pays représente. Ce sera une mémoire inoubliable pour moi et pour ma famille en France.

Bourrique

Part of the Buis relation.

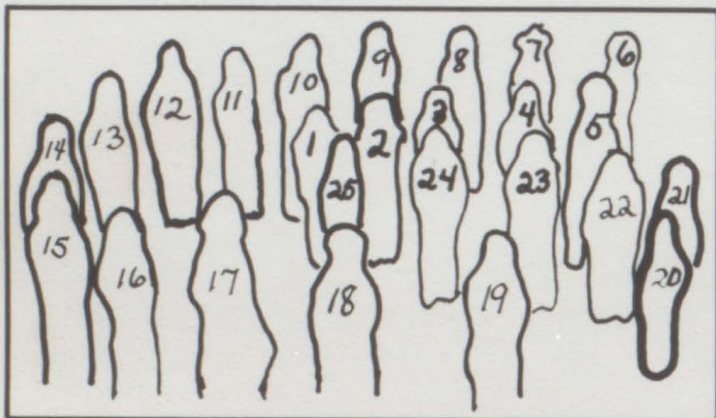

France came alive for me this past summer. I was well accepted by my French family, the Buis. I got better acquainted with the French way of living, the people, and especially myself. I realized there were a lot of things I took for granted and that we should appreciate being part of the United States of America. It will be a lasting and unforgettable relationship for me and my French family.

SPRING CONCERTS INSPIRE BANDS

The Seymour Band this year sponsored the music contest. Band students who did not participate in solos or ensembles were working at doors or helping people find their way around.

Would you believe that band is fun!

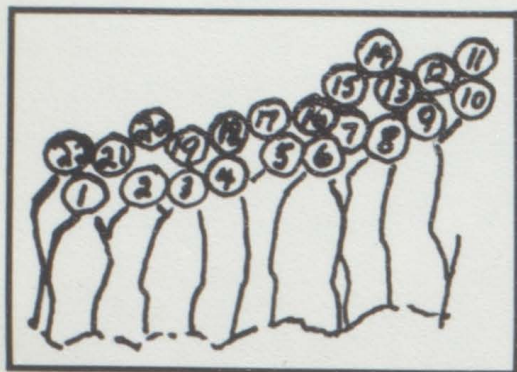

Let me out of here.

Where are we?

SENIORS

OUR TIME

In the beginning, the school was big and frightening. We, as mere sophomores, had been exposed to something new and entirely different. As Homecoming time rolled around, we began to put our creative interests to work and came out on top with the number one float. Feeling rather good about ourselves, we quickly settled into high school life. The end of our sophomore year was highlighted with choosing and receiving our class rings.

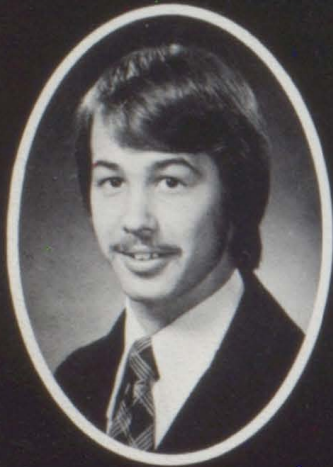

In the middle, what juniors literally are, we came back feeling like veterans. Homecoming was fast approaching, and we determined to

make it two in a row. Again, we succeeded in topping the list, and the year was again begun correctly. The biggest day of our junior year, our prom, was long awaited and well prepared for. Our prom, "Stairway to Heaven", proved successful. We were proud of our work. The year had ended on a good note.

In the end, we believed we knew what high school was all about and were all professional seniors. We anticipated Homecoming and our third consecutive win on the float. We again came up on top. We feel we have accomplished much in our years here at Seymour High.

Well, what did you expect me to do?

The junior year was high-lighted with many exciting events. One event included homecoming and the building of the class float. This year's float slogan was "We'll Stall the Truckers!" Our float received a second place. The Junior Class was represented by Amy

Wenninger and Tim Cornell on the homecoming court.

The biggest event of the junior year was the Junior Prom. Money raising projects were involved consisting of bake sales and dances. Much effort was put into this year's prom.

LOOKING FORWARD — SOPHOMORE CLASS

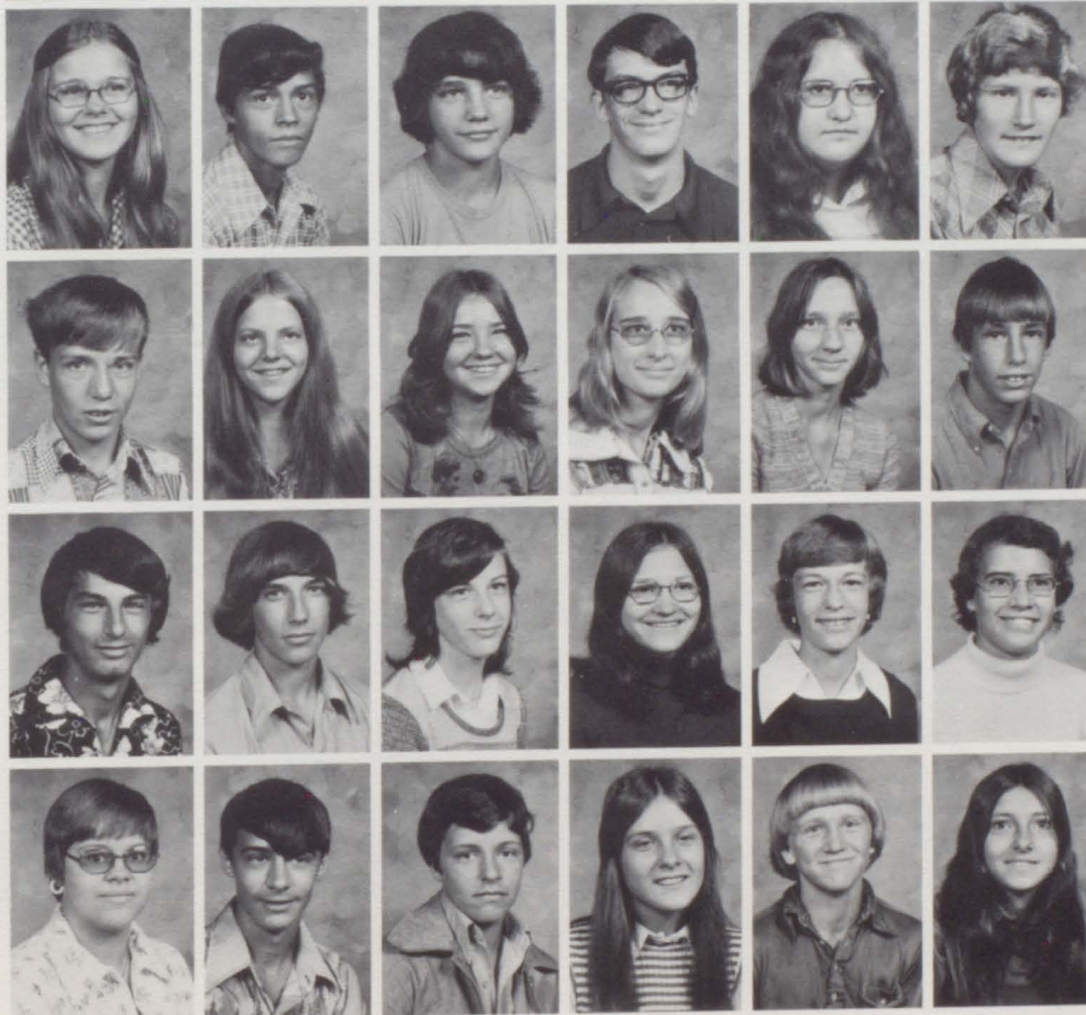

Our sophomore year was much different than last year. After electing our class officers and student council representatives, we worked hard on our class float — “AR-GYLES WILL SOCK 'EM”. Our football team had a winning season (5 out of 7) and our basketball team is so far undefeated. We look forward to ordering our class rings and having sophomore dances. We also look forward to being an integral part of Seymour High School.

SPARK PLUGS OF SEYMOUR HIGH

Varsity — TOP ROW: L. Hein, T. Cisler, B. Heinke, A. Cismoske, I. Prevost, BOTTOM ROW: S. Coonen, L. Zahn, K. Bundgaard, A. Wenninger, C. Clevén.

The cheerleaders this year boosted the spirits of the teams and the students. They worked very hard and improved themselves by attending camps and workshops set up by other schools.

The varsity squad was divided into six on basketball and four on wrestling. The J.V. squad was split up into five on each sport. During football both squads of varsity worked together; the J.V.

did also. Everyone worked hard and did her part in helping increase school spirit. A job well done.

J.V.: BACK ROW: C. Butters, L. Nagel, C. Cisler; BOTTOM ROW: C. Heinke, B. Dunbar, S. Ebert, C. Mielke, K. Cornell; FRONT: D. Dalke.

Where did the ball go?

The volleyball team clinched the Bay Conference title by beating Oconto. This victory boosted the team's record to an unbeaten 9-0 mark.

Many outstanding individual efforts have contributed to the overall success of this season. Doreen Simon was the team's leading spiker. Karen Kielar and Sue Brugger rounded out the attack with 40 and 36 spiked points respectively. Fine sets from Karen

Kielar and Laura Leisgang made these spikes possible. Powerful serves were delivered by Pam Wussow, who led the team in defensive saves. Much thanks goes to Miss Otis for her fine coaching.

SEYMOUR OFF AND RUNNING

Bruce gives an extra burst of speed.

Running over land, rocks, and through water for a distance of three miles this is the sport of cross country. Seymour's cross country team finished 5th in conference this year. Throughout the season they were beaten by nine schools and defeated by six. The most valuable man to the team was Dan Doersch, and the most improved was Steve Katch.

NEW COACH BOOSTS TEAM'S SPIRIT

The varsity squad inspired by the new coach garnered six wins by the time this article went to press. The J.V. team had a lot of

spirit and managed to win many of their games also. Both teams put forth a good effort and drew large crowds at their games. The

boys did well this year and should be bonified contenders next year.

OUR LIVING the TIME

TIME IT WAS.
AND WHAT A TIME IT WAS,
IT WAS ...
A TIME OF INNOCENCE,
A TIME OF CONFIDENCES.
LONG AGO ... IT MUST BE ...
I HAVE A PHOTOGRAPH.
PRESERVE YOUR MEMORIES;
THEY'RE ALL THAT'S LEFT OF
YOU.
