You're so cute Ms.

In Loving Memory of Mr. Peter Buchanan

One Last Night

You lie there all alone,
And you can't be ours anymore.
We had good times
Bad times
Hard times and laughter,
But to you it was so much softer.
The sun was our quiet smiles.
The rain was our tears of joy.
The snow and the autumn breeze
were the wonderful years ahead of us all,
But not anymore.
If we could have had only one more day,
One last night,
Just to be embraced so tight
We would give anything.
So goodbye Dad,
We'll never stop loving.
Wait for us in heaven,
We're sure that's where you are.

Written By Amber Buchanan

Doing what he loved best.....
besides teaching that is.

*"You defended
freedom. Your
acts of heroism
and courage are
celebrations of
life, and all of
[Seymour] thanks
you." Quote from
Fallen Angels.*

When You Left Us

When you left us our hearts you took
and we didn't even get a second look.
When you left us we thought we'd be strong.
and now that you're gone I guess we were wrong.
When you left us that lonesome night
we knew we would miss you with all of our might.
When you left us we shed more than one tear
because you helped us face our biggest fear.
When you left us we made a big fuss
because we still wanted you to teach us.
When you left us we didn't know what to say
to make it so you wouldn't go away.
When you left we didn't know what to do
all we knew was that we'd definitely miss you.
Now that you left us we just want you to see
that our love for you will forever be.

Written By: Diana Schmidt

To Our Colleague, Peter Buchanan,

Stunned, we try to comprehend
That you have left us.
Your footsteps still fresh in
The pathways you walked
Through our halls, through our minds,
Your presence still felt
As we collect the chattered pieces
Of our emotions
And stumble on our journey.

Reflecting, we speak of your unfinished work
Of building minds,
Quietly, but persistently,
Dedicating yourself to forming and shaping
The Clay - young people's intellects and lives.

Determined, we venture forward
Reminded of the shortness of our lives,
Rededicated to our purpose,
Modeling your pattern.
Your work remains unfinished, and so
We pick up our clay tools
In your memory.

Well Trisha, you made it! Amazing how time flies and how fast you have grown. We want you to know that when you venture off to school, though we will be sad to see you go, we support you and are very proud of your accomplishments! Good Luck! Love Mom, Dad, Tammy Dean, Troy, and Sarah

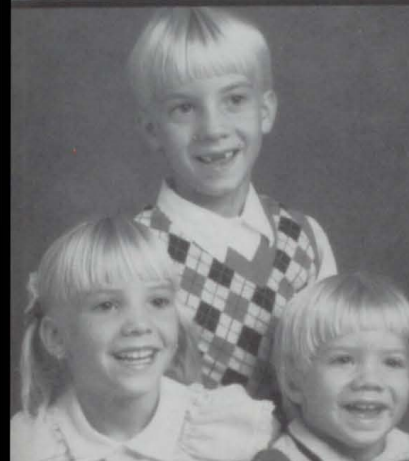

Amy, Congratulations! Good luck in the future with your schooling. We are proud of you. Love You, Mom, Dad, Eric, and Andy

Congratulations Andy! Watching you grow has been interesting. Keeping up to you is nearly impossible between fishing, hunting, trucks, snowmobiling, and girls. We are so proud of you. We know you accept challenges and have the ability to succeed. Love, Mom & Dad

Dearest Erica; God blessed us with your love, beauty, and grace. You have a warm, positive spirit that attracts and touches everyone you meet. Pride beams from our hearts, as this past summer you graduated Private First Class from Fort Jackson Army Training. Determined you activated Gods strength in you; mentally, physically and spiritually, and came out a winner. Everything is Possible with God (Mark 10-27), hold on towards these as you go the distance. Words alone will never express our love and admiration for you. As God unravels the marvelous journey he has planned - remember you have already blessed the Earth, by just being you. Forever Love Mom & Dad

William, We are proud of you and love you very much. Believe in yourself, we believe in you. Your special gentle ways and caring nature will guide you well in your future. With love, Mom and Dad

Matt- May all your dreams come true and your future be bright! We know you will be successful and we are very proud of you. Love, Mom, Dad, and Jeremy

Aaron- Wow! What an awesome son you are! You have conquered every challenge that you have been faced with in your life and have done so with pride and dignity. You have been given many talents and have been a great role model for your sisters. We will always love you and support you as you continue your journey through life. May happiness always be yours!
