The yearbook is dedicated to Ryan Ruechel who was seriously injured in an accident and who would have been a senior this year. A tribute to Ryan is featured at the end of the senior section on page 52. His accident serves as an example of how suddenly a storm can transform countless lives.

“The Thunder Rolls” is the theme of the 2004 yearbook. The theme goes beyond celebrating school spirit; it also recognizes our resilience, strength, and insights as we persevere through life’s storms as individuals and as a school community. See page 2 entitled “Weathering the Storm” for more on our theme selection.

# Weathering the Storm

The theme for the 2003-04 yearbook "The Thunder Rolls" was selected because it embodies school spirit and the powerful force we strive to be as we venture into athletic competitions, club projects, academic endeavors, and the outside world.

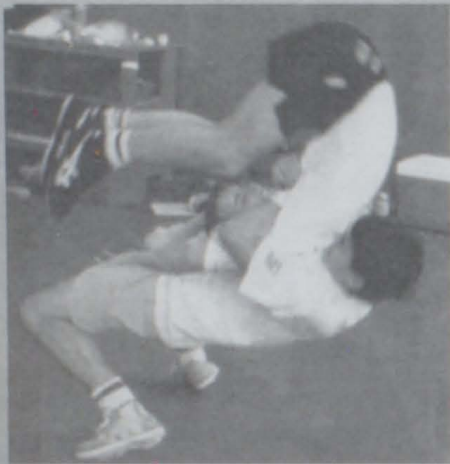

However, sometimes as individuals and as a school we are humbled by the storms in our lives. Deaths, accidents, war, depression, and other storms have affected us all. We have been saddened and overwhelmed, but we have also been brought together.

This page recognizes some of life's recent storms that have transformed us and forced us to look for hope on the horizon. Even now, though clouds remain, lasting memories and lessons learned give birth to rainbows of hope and promise for the future. The "We Remember Them" poem is dedicated to ALL of the family members and friends who have brightened our world and who live on in our hearts.

Our school and community were stunned and deeply saddened when SCHS graduates Corey Podner and later Matt Swett's lives abruptly ended. Both Matt and Corey had tremendous school spirit and thoroughly enjoyed their high school years; both families established scholarships in memory of their sons.

What is essential does not die but clarifies...the greatest tribute to the dead is not grief but gratitude. Thornton Wilder

Many students were deeply touched by the brutality and injustices of the 2003 War with Iraq. Some families learned first hand the sacrifices made for our freedom as they watched loved ones enter harms way to serve their country.

Matt's passions and talents encompassed a wide span including academics, sports, drama, language, culture, and teaching. Matt is seen here using his charisma to captivate the audience at one of the many performances he starred in while at SCHS.

Matt had a love affair with life from ants to physics; he wanted to take all life had to offer. Matt's success was forged through dedication, persistence, and teamwork.

## We Remember Them

In the rising of the sun and in its going down,  
we remember them.

In the blowing of the wind and in the chill of winter,  
we remember them.

In the opening of buds and in the rebirth of spring,  
we remember them.

In the rustling of leaves and in the beauty of autumn,  
we remember them.

In the beginning of the year and when it ends,  
we remember them.

When we are weary and in need of strength,  
we remember them.

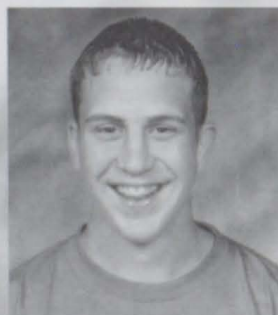

When we are lost and sick at heart,  
we remember them.

When we have joys we yearn to share,  
we remember them.

So long as we live, they too shall live,  
for they are now a part of us,  
as we remember them.

Cory had a spontaneous enthusiasm for life. His teammates, classmates, and coaches enjoyed ready smile and quick offers of assistance. Corey ran through life with joy, enthusiasm, and gusto. His family and friends find solace in their memories of a little guy with a big heart who lived his short life very well and who continues to live on in them.

See page # 52 for a tribute to Ryan Ruechel who was seriously injured in an accident. The yearbook staff wanted his tribute to appear in the senior section.

"We do not remember days

we remember moments"  
-Anonymous

Ryan Ruechel would have graduated this year; however, he was seriously injured in an accident on September 5, 2002. The yearbook staff wanted to do a tribute to him with his senior class and celebrate the good times they shared.

### The Oak Tree

A mighty wind blew night and day.  
 It stole the oak tree's leaves away.  
 Then snapped its boughs and pulled its bark  
 Until the oak was tired and stark  
 but still the oak tree held its ground  
 While other trees fell around.  
 The weary wind gave up and spoke,  
 "How can you still be standing, oak?"  
 The oak tree said, "I know that you  
 can break each branch of mine in two,  
 Carry every leaf away,  
 Shake my limbs, and  
 Make me sway,  
 but I have roots stretched in the earth,  
 Growing stronger since my birth.  
 You'll never touch them, for you see,  
 they are the deepest part of me.  
 Until today I wasn't sure  
 Of just how much I could endure,  
 But now I've found, with thanks to you  
 I'm stronger than I ever knew."

"Ryan is very special to me and I miss him very much. I miss how he always looked out for me, even if he wouldn't always admit it. Ryan always had a smile on his face, and I'd have to say that is what I miss the most. I would give anything now just to see him smile at me again. I, along with many others, miss him a lot and will never forget the memories he gave us; I will love him forever."

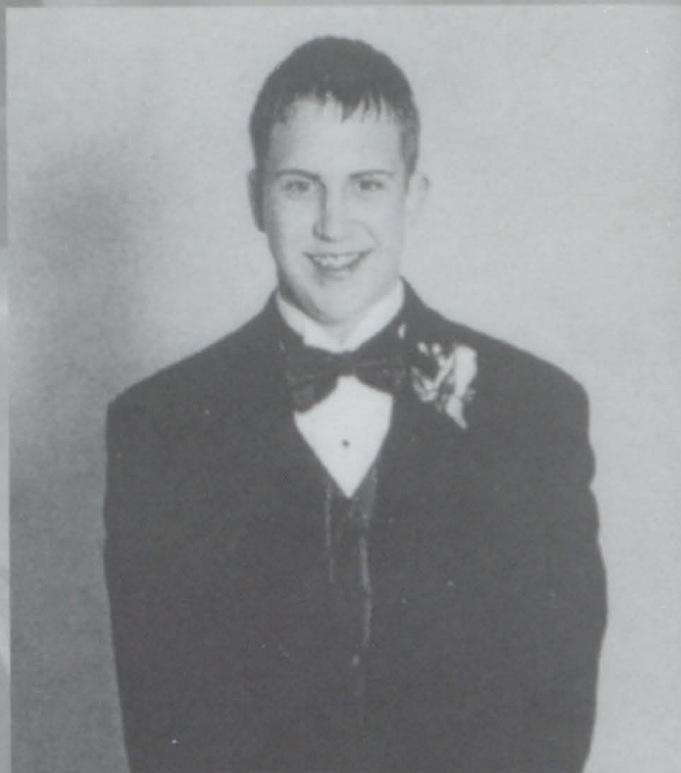

Ryan's Cousin,  
 Jennifer Brown

"Ryan was my best friend. There were no dull moments in any of the classes we were in with him; there was always laughter. Every day he walked into Mrs. Barber's class and he would yell 'Welcome to the Jungle!!' You could never ride in his car without a GNR song on the radio. You could say Axl Rose was and still is his idol. I never seen Ryan in love as much as I seen him in love with his high school love, Emily Welch. You could definitely say their relationship was like Romeo and Juliet. When looking around at everyone he knew he left a piece of him with them. You could say Ryan rubbed off on everyone he talked to. I can definitely say there is a little bit of Ryan in all of us."

Sammi Lynn Helsler

"Ryan was always laughing and joking around. He was very kind and generous. Ryan was an all around great guy."

Emily Welch

"There are so many memories with Ryan it would take me forever to name them all. My last good memory with him riding in the back of Nick's truck to the Shawno fair, to the combine demos. Ryan and I had so many memories that I will never forget for as long as I live."

Cole Mueller

"I always thought Ryan was cool to hang out with. He was always there to help anybody who needed help. Whenever I was in the hospital with my heart problems, he was there. He also would help my dad on the farm, when I was in the hospital. I will miss his kindness and his presence. I will always remember what he did for me."

Kurtis Ambrosius

"Whenever I think of Ryan, I always remember his goofy grin. It didn't matter how dismal things seemed; he was always able to find that smile"

Mrs. Secor

Ryan,  
 Growing up together creates a special bond. The playing and laughing brought us closer together. The fights and struggles only made us stronger. You have been the kind of brother that every brother should be. When it seemed there was no one else, you were always there to give me that extra little push I needed. I have had many dear friends, and hope to have many more, but I know there will never be anyone who could take your place. Thanks for being a wonderful brother, but most of all for just being a great friend.

You are greatly loved and missed,  
 Ashley

"I remember freshmen year me and Ryan were in Intro to Agriculture with Ms. Lewke. She was our favorite teacher. We must not have been her favorite students because she kicked us both out of the class. We could not figure it out because we were so good in her class."

Eric Smurawa

Congratulations, Pam!

Hey Joey, It seems like yesterday you were waiting (with your "turtles" backpack) for the kindergarten bus. You have a kind spirit, and a strong belief in God. With these things you'll accomplish great things.

Love, Mom, Dad, Jimmy, Jake, and Jenna

Congratulations Cody! From hammering hundreds of nails in boards to wiring half of your bedroom. You've become a creative, responsible, unique man. Keep your goals up front and go all the way!

Love from a proud Mom, Dad, Missy, Adam, and Katie

Sharon,

Not long ago it was your first day of school. Now it's graduation from high school and soon off to college. I've enjoyed watching you play basketball. It made me a little nervous each time you'd fall on the court, but your passion for the sport and your spunkiness soon had you back in the game.

I'm so proud of all your accomplishments. Your perseverance and outlook on life will keep you on top of your goals and you will succeed!

The path to your future begins with your first step.  
Love, Mom

Adam,

You may look all grown up on the outside, but the little boy still lingers quite close behind that mischievous smile. Congrats on four great high school years.

Your proud Family

Bobby - You are one class act. You have made some great moves in your young life, but the best was your decision to move your high school career to seymour. What courage to toss your security blanket of friends and surroundings! Not an easy thing to do but it will pay huge dividends for years to come. Remember...family is first and forever. We back you 100%! Go Thunder! Love Ma and Pa.

Tom,

I can't imagine what my life would be like if I didn't have a son like you. I am so proud and grateful that my son has grown up to be a remarkable man.

Love,  
Mom and Brook

Your future is determined not so much by what life brings to you as by the attitude you bring to life. Megan, you've brought us so much joy! It has been a pleasure to support you in your high school activities! Good Luck and God Bless, Mom, Dad, and Amanda.

# Making History With Five State Championship Games In A Row: Priceless!

The Thunder dominated most of its opponents throughout the 24-2 season. Coach Murphy said it might be the most talented team he has ever coached.

Coach Murphy's extraordinary success over the last 11 years has earned him the Lee Rimmel Superior Achievement and Coach of the Year Awards.

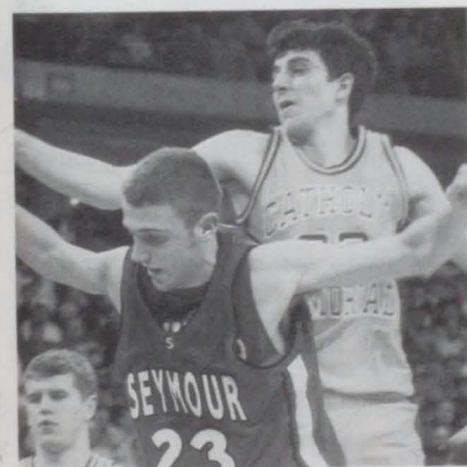

Determination, depth, poise, preparation and heart enabled the Seymour Thunder to go toe to toe with Catholic Memorial. The final score was Thunder 55, The Crusaders 58.

The SCHS boys' basketball team has outright won or shared the coveted Bay Conference title 7 out of the last 10 years.

Kevin Grusczyński scored over 1000 points during his school career including 48 points during the state tourney earning him a spot on the 2nd all-state team.

Co-Captain Steve Klass was unanimously voted onto the all-conference team and contributed countless points for the Thunder.

The Thunder has made an astounding 8 trips to the state tournament in the last 11 years netting two gold and four silver balls.

Clutch player Bobby Kuchta stepped up when the heat was on making key plays throughout the season.
