Carley and Reese were playing hookie on picture day.

The theme for the 2005 yearbook is "Winging It." The theme was selected to allow yearbook staff members to put their personal touch on pages and express their creativity without excessive restrictions or boundaries. The "Winging It" theme seems timely since an increasing number of students are breaking away from the trends and creating their own perosnal style. Therefore, on pages 14-15 we're celebrating students diverse fashion flare.

The yearbook is dedicated to Chris Pepin who was in a fatal accident this past year. Chris would have been a senior this year. A tribute to him appears on page 2.

#### A Dedication to Christopher Pepin

"Topher"

Chris

I'm Free

Don't grieve for me; for now I'm free,
I am following the path God laid for me.
I took his hand when I heard him call;
I turned my back and left it all.
I could not stay another day,
to laugh, to love, to work and play.
Tasks left undone must stay that way;
I found that peace at the close of the day.

If my parting has left a void, then fill it with remembered joy.

A friendship shared, a laugh, a kiss, ah yes these I too will miss.

Be not burdened with time of sorrow, I wish for you the sunshine tomorrow.

My life's been full, I've savored much, Good friends, good times, a loved one's touch.

Perhaps my time seemed all too brief; don't lengthen it now with undue grief. Lift up your hearts and share with me, God wanted me now, He set me free.

Our Son

Boy

Chris was one of my best friends. He was the type of person you could just hang with if you were bored. I will remember all the good times I had with him like going to movies, paintballing, or just staying at his house and getting everyone over to play X-Box or to order wrestling on paperview.

Travis Murphy

On the day Chris died I didn't cry. I'm not sure I could have. I certainly did at later times, but not that day. I knew that whatever God does is just and true, and so I knew that the death of my friend was not an injustice. God gives life and He takes it away. That's not to say I wasn't sad and don't remember Chris but it is to say God is righteous and holds in His hands the lives of all men.

Nathan Thiel

Chris.

I miss you man. We had some great times playing videogames and paintball. What I would give to have those times back. I miss you man. Wish you were here.

Ben Giamarino

Friend

Chris,

You are missed very much. Senior year has been fun but it'd be better if you were here. True friends can never be replaced, and you are a true friend

Cody Reis

Christopher Michael Pepin was the best friend someone could possibly have. He was admirably understanding and accepting of others. He had an extremely rare personality. I deeply miss him, but Chris and I shared some truley great times. Chris will live on through those memories and achieve immortality.

The angels said to the Lord above...this special child will need much love.

His progress may seem slow...accomplishments he may not show...he'll require extra care from the folks he meets.

Down there he may not run, laugh, or play...

His thoughts may seem quite far away...

In many ways he won't adapt...he'll be known as handicapped.

## PERENNIAL POWERHOUSE EXCEEDS EXPECTATIONS IN REBUILDING YEAR.

Seymour is the first team in WIAA history to go to the state championship for six consecutive years.

The Thunder get ready for their turn on the court after winning the regional and sectional games.

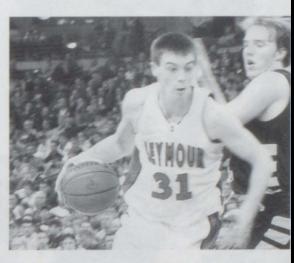

Seymour won (83-42) against Northwestern with a record breaking margin of victory of 41 points. This victory launched the Thunder into a spot in the championship game.

Mike King won the the Coaches' Award and All Bay Conference Honors. He forced 6 turnovers against Northwestern.

Dan Genke was an All Bay Conference Selection and won the team Offensive Award.

Sophomore, Matt Hackl, made All Bay Conference, 3rd team All State Selection, and was Co MVP, sharing the spot with Brad Tollefson.

Anticipation builds on the bench as a shot is put up on the court and the Thunder takes the lead.

Senior point guard, Brad Tollefson, puts up a 3 point shot to try and win the game.

The Thunder brought home another silver ball after battling with Racine St.

Catherines. In the final seconds of the game the score was tied 50-50. However, Racine got the lead, and the Thunder missed a three point shot resulting in a 52-50 final score.
