Huzzah!

The 2005-2006 yearbook staff would like to dedicate this year's yearbook to Marty Hodkiewicz who had an untimely death last year. He is greatly missed not only by his 2005 graduating class, but by the other students and faculty who got to know him. A complete dedication can be found on page 2.

# Lasting Memory

Marty and good friend, Richard

Marty was a very special person. He was the type of person if you asked him to do something, he would try his hardest to do it for you or ask his parents to help him so he could help you out. One time my snowmobile broke down I called Marty, and he and his dad came and picked me up and we went back to his place and fixed my sled. He was the best friend a person could have.

## The Broken Chain

We knew little that morning that  
God was going to call your name.  
In life we loved you dearly,  
In death we do the same.  
It broke our hearts to lose you,  
You did not go alone,  
For part of us went with you,  
The day God called you home.  
You left us peaceful memories,  
Your love is still our guide,  
And though we cannot see you,  
You are always at our side.  
Our family chain is broken,  
And nothing seems the same,  
But as God calls us one by one,  
The chain will link again.

Love, Mom and Dad

Marty and good friend, Joel

Marty was my best friend. All of the memories I have of him are good ones. When I'd see him in school every morning he always had a smile on.

On the weekends we would go down to his cabin for bonfires in the summer. Marty was always ready for a new adventure, and he really liked to be outside. We used to drive the Mule all over the place. When we were younger, he would keep up with me in his wheelchair when I was riding bike. His wheelchair was also very good on rough ground, too. If he got stuck, all he needed was a push to get going again; in fact, I think he enjoyed getting stuck once in awhile. I used to tell him his mom wouldn't let him back in house after being over at my place because of all the mud he'd drive through.

Marty used to come over and watch us drive the tractors around when we were moving rocks. A day I will never forget was Labor Day 2004, when he came over to help us put our windmill up. He would pull the rope with the bucket of tools up to me while I was on top of the 40' tower. I sure was glad he was there; it saved me a lot of trips going up and down.

One of the many things I will remember about him was his positive attitude; he was a great guy to be around. He was very sensible and I have to admit he also probably kept me out of trouble, too. Marty was a wonderful person and I was lucky to know him. I miss him very much and will never forget the good times we had.

-Joel Vanden Heuvel-

Whenever I think of Arty, I have a warm thought in my heart and a smile on my face. Let us think of Arty often and let his memories teach us how to be better individuals. We should be thankful to God and appreciate the fact we all had the opportunity to have our lives touched by such a special person as Marty "Arty" Hodkiewicz.

-Tom Mueller-

Marty loved band. He was the first high school student in a wheelchair to play in a band at the Kohl's Center in Madison for a high school game.

Marty at age 4

Marty will live in my memory as a brave, intelligent, fun loving young man. In the words of a song from "Phantom of the Opera" that we played after his passing, "Think of me think of me fondly" and I know I always will.

There is an ongoing tradition of respect carried out by the students of Seymour High School. Once a year the senior class gets the outstanding privilege of naming one member from their class as the recipient Daughters of the American Revolution Award. This year's lucky recipient is Alyce Marsh. Alyce must uphold her reputation as a wonderful student and young lady. This special award not only brings a scholarship but also an outstanding amount of honor. Congratulations Alyce!

# Every 15 Minutes

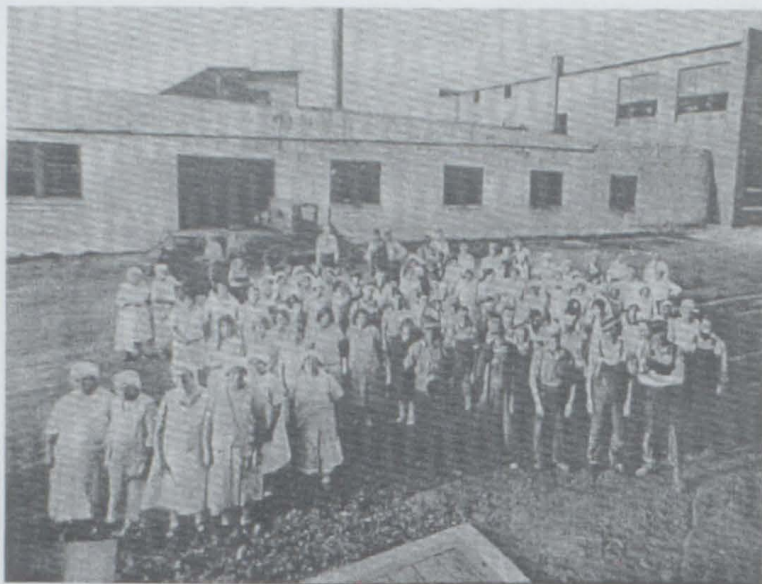

The Seymour SADD Club, AODA, and the Seymour area businesses contributed to putting on a mock crash. The day started out with the grim reaper systematically pulling students out of class to symbolize one person dying every fifteen minutes in an alcohol related crash. An obituary was then read by a pastor and a police officer. In the afternoon, students assembled in Rock Ledge Park where there was a crash set up. The Seymour Rescue Squad as well as the Seymour Police Department responded to the accident as if it were real. Theda Clark flew in their helicopter to transport the "victims" of the crash. The driver of one vehicle was "arrested" for drunk driving and sent to the Outagamie County Jail for booking. One victim was pronounced "dead" on the scene, and another victim "died" in the hospital. The following day a mock funeral was held in the field house in memory of the two students who passed away. The whole program was a great success, happening only a day away from prom. A big thanks is extended to the organizations and individuals that volunteered their time and resources.
