Dedication

Heidi is such an integral part of our family here at school that it truly feels as though a piece of us is missing. We are lacking the sunshine that she emanates and are anxious to see her healthy and happy once again.

Ms. Secor

Ms. Liewen helps make school our home away from home by bringing in treats and planning get togethers. Her energy and enthusiasm have been missed by teachers and students alike. We look forward to hearing her laughter in the halls again.

Ms. Kaminski

Ms. Liewen is an amazing teacher, mother, wife, and friend. She has an incredible gift as story teller.

As her friend, I look forward to seeing her and talking with her about how her day is going and how her family is doing.

As a teacher, she works hard to reach the needs of all her students. They are immersed in projects that relate to their life and their interests.

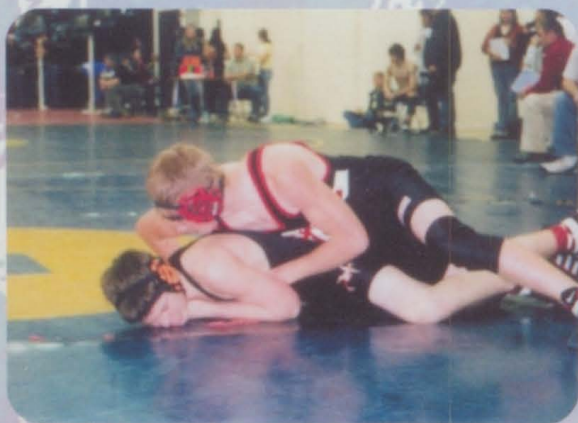

As a mother, she loves her son so dearly. Her little boy Cooper is lucky to have such a loving and caring mom.

Class 2007

Dear Nicholas, (A.K.A. NPL, ick, or icky hickey Nicky!)
 In high school there is always that guy you keep falling for, and for many of us, that guy was you. You've always been the guy we could have fun with. Whether we were swimming in a river, being lost up north on sleds, or just making pizza in your shed, it was fun. You've always been the one to listen to us when we didn't want anyone to hear, and you were there for us even when we wanted to be alone...Now that we're done with the sappy stuff, we'll never forget silky boxers, Christmas lights, the peanuts you were NOT sharing, That boats got lights!!...whack whack, team pink, you and your McDonaldland sugar cookies, plans to sneak into Brooke's pool, my tittletown date, skin checks...and the rest we can't say! So with that being said, we love you. And remember 'when it hurts to look back, and your scared to look ahead, you can look beside you and your three best friends will be there.'

Love Andie, Brenda, & Tashia

Dear Nicholas,

You are truly an inspiration to all people. You have had to endure unending pain and numerous surgeries since your accident. You have this adversity with strength and courage and for this we are so very proud. There have been many tears shed and prayers requested by the countless people who love you. You are so very blessed to have been touched by so many lives. From this experience we have seen and felt compassion from family members, friends, and even strangers. We thank God for those people that have had a hand in your recovery. It is up to you now to use your strength and determination to climb that mountain that is before you. As Viktor Frankl once said, 'Everything can be taken from a man but one thing: the last of the human freedoms - to choose one's attitude in any given set of circumstances, to choose one's own way.'

Your Loving Family,
 Mom, Dad, Tiffani, and Whitney

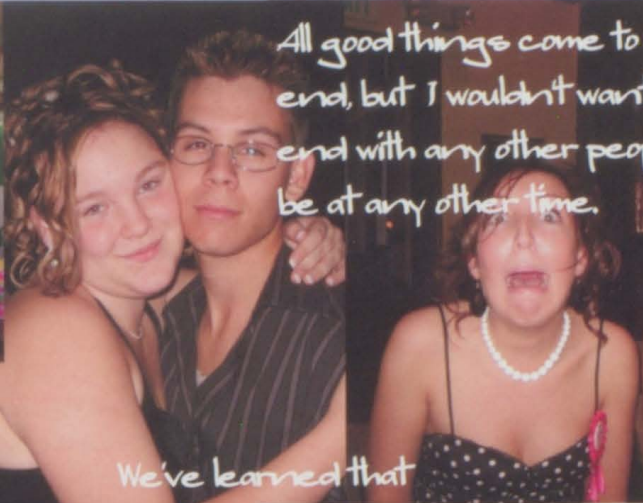

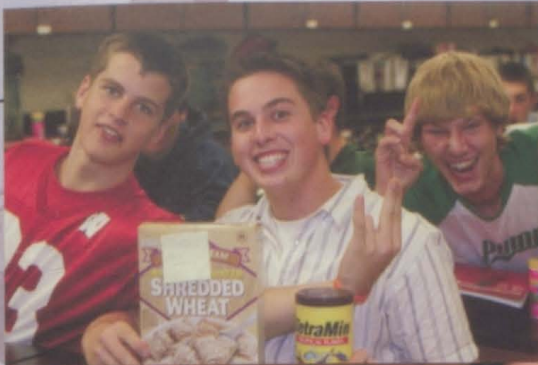

Nick,

We hate what happened, but it brought us all closer and made us appreciate life and friends. We missed you the last few months doing fun and crazy things, but we're not done yet. We need to say no more because parents might be reading this...We love you, end of story!

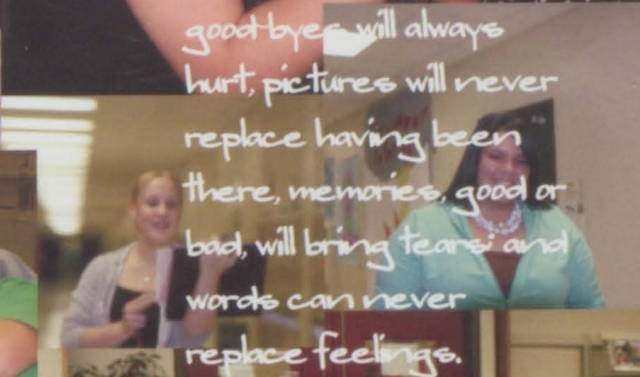

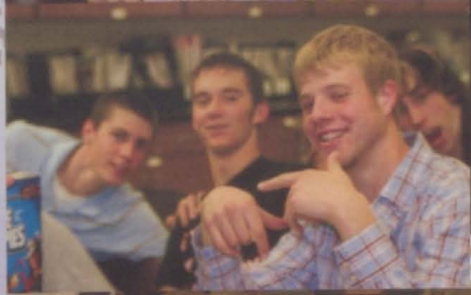

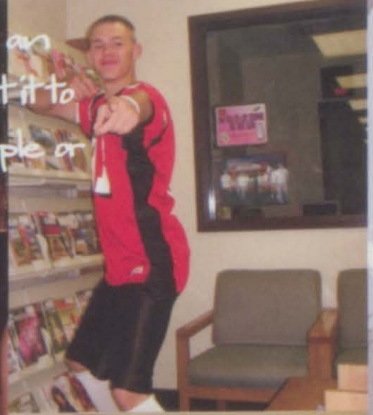

Jon and Wanita

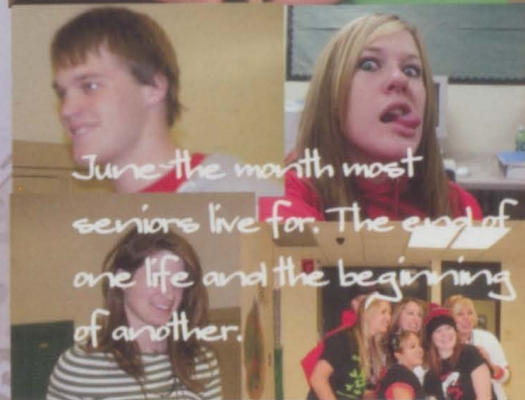

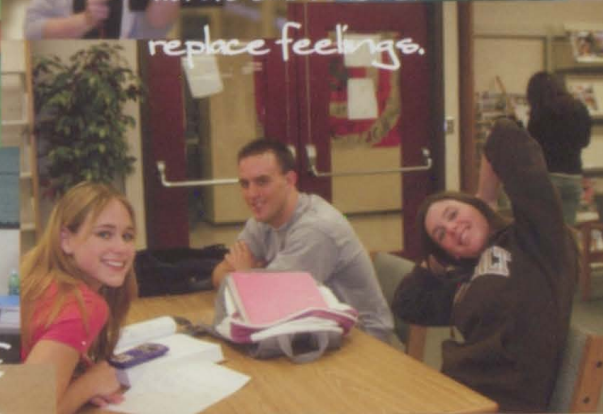

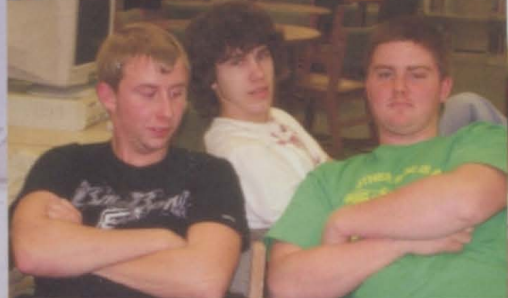

Seniors

All good things come to an end, but I wouldn't want it to end with any other people or be at any other time.

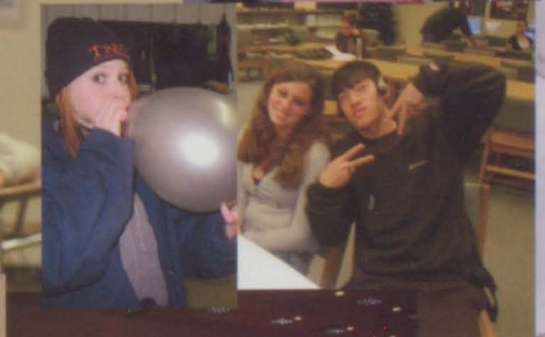

We've learned that good byes will always hurt, pictures will never replace having been there, memories, good or bad, will bring tears and words can never replace feelings.

June the month most seniors live for. The end of one life and the beginning of another.

Go confidently in the direction of your dreams. Live the life you have imagined.

Our Daughter, Our Friend

We have a certain daughter,
Who has a place inside our hearts.
Though life may come between us,
It can't tear us apart.
She's always been so special,
A bright spot in our day,
With laughter, smiles and giggles
To take our breath away.

She's also our best friend!

AMERICAN PRIDE

There is an ongoing tradition of respect carried out by the students of Seymour High School. Once a year the senior class gets the outstanding privilege of naming one member from their class as the recipient of the Daughters of the American Revolution Award. This year's lucky recipient is Thomas Martin. Thomas must uphold his reputation as a wonderful student and young man. This special award not only brings a scholarship but also an outstanding amount of honor. Congratulations Thomas!

I felt that getting my pictures taken at Countryside was one of the best experiences I've had. Kandy and Steve made me feel very comfortable and I didn't feel like I was being judged when I did a certain pose. I would definitely do it again. Thanks for your time and experience.
