# Whitney Eisenreich

Dear Miss Whitney... Where has the time gone? In a few months, you'll begin writing the next chapter of your life: a chapter that will detail the friendships you'll build and the knowledge you'll gain as you work your way through college and eventually secure your first full time job. We couldn't be more proud of the way in which you've grown and matured.

Always keep in mind the following quote from the legendary Coach Vince Lombardi, "The good Lord gave you a body that can stand almost anything. It's your mind you have to convince."

You'll always be our "baby" regardless how old and/or tall you are!

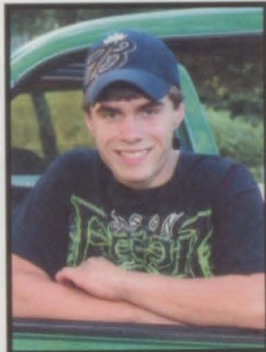

We Love you!  
Mom and Dad

# Kyle VandenLangenberg

Raissa, Your first 18 years of life have been full of  
opportunities. You have taken advantage of life and strived to  
be an active and faithful individual in today's society. You have  
volunteered in many areas of your community. Your strength in  
being an individual has made you a role model for others. May  
you continue to use your love of life, music, God, and compassion  
for others to make great changes in the people you meet!

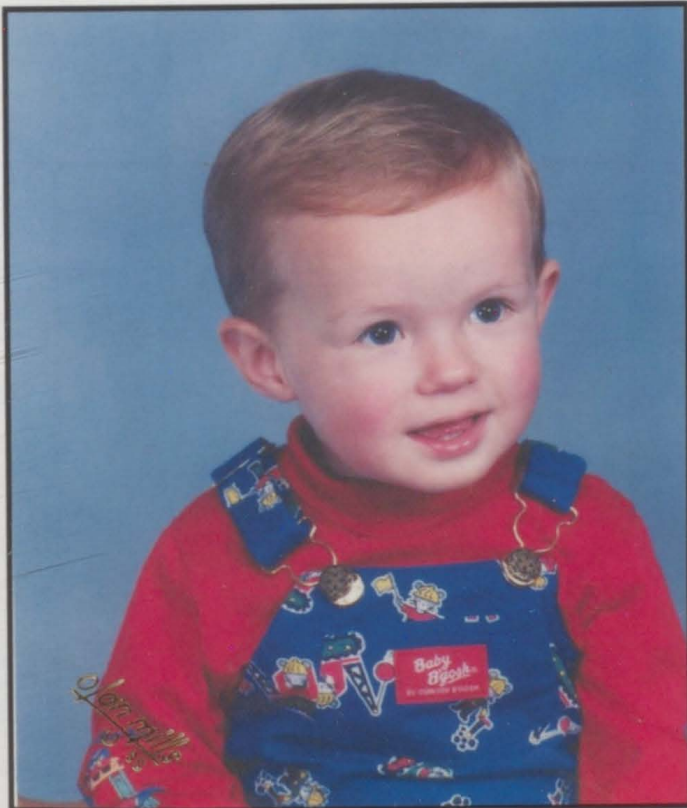

Love,

Mom, Dad, Rhett and Grandparents

# Trevor Christenson

We are SO proud of you!! We Love you!!  
Mom and Dad

# Coral LaPalm

Fasten your seatbelt. Time passes so quickly. Here are some  
words of wisdom from Mom and Grandma. Always stand up for  
who you are because there will be times when you're the only  
one who will. You are braver than you believe, stronger than you  
seem, and smarter than you think. Never regret the past; it is a  
waste of time. Take every mistake, every weakness, every fear  
and grow from it. We know you will do great things. When all  
else fails, remember your roots and visit home. Sweet Pea, your  
wings are your own, don't hold yourself back, just fly!

Love

Mom, Shey, Penny, and Grandma Anna

## Tara Hick

You have made us very proud and we hope you will continue to. Just remember we are always here for you. Congratulations and good luck in your future. Live your dream.

WE LOVE YOU!!!!!!  
Mom, Dad, and Megan

## Drew Morrissey

May God Bless and Keep You Always. May you always keep him by your side Over the roughest of roads no matter how long. Through the strongest wind, the highest tide, may you always be patient, courageous and strong. Follow the path of your dreams one step at a time. Time is the gift of life, use it wisely for one day it will be gone. Give each day along the way, a smile, a hug or just play a song along the way.  
Love Mom, Dad, Lindsey, and Evan

## Megan Urbanek

Always remember growing up with fish kisses, eskimo kisses and butterfly kisses.

# I'll Never Forget When...

**Maggie Blohm,** what will you never forget about high school?

"I made it to swim state my senior year."

**Karlet Negrete,** what was your most embarrassing moment?

"It was junior year. We were in English Lit and Comp and our student teacher Mr. Kilgas was reading to us. I was stretching in class when suddenly a loud gacious sound was heard by all. Sean Wagner turned around completely red. Everyone thought it came from him so I let him take the blame."

**Ariel Jochman,** what will you miss most about high school?

"I will miss seeing my friends I have had since I was in kindergarten and all the friends I have made through middle and high school."

**Kyle VDL,** what will you miss most about high school?

"All the drama and people talking like they know what's going on."

**David Hermus,** what will you miss most about high school?

"Seeing all my buds everyday, walking in everyday cowboying up and taking the bull by the horns. You only go to high school once so party it up!"

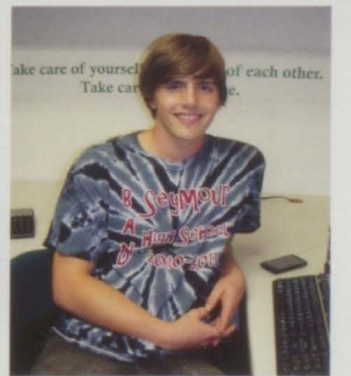

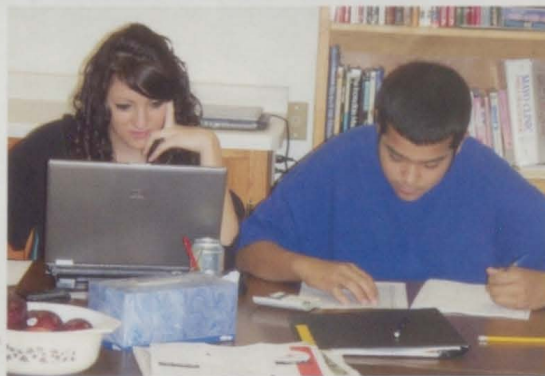

**Melanle Wichman,** what will you never forget about high school?

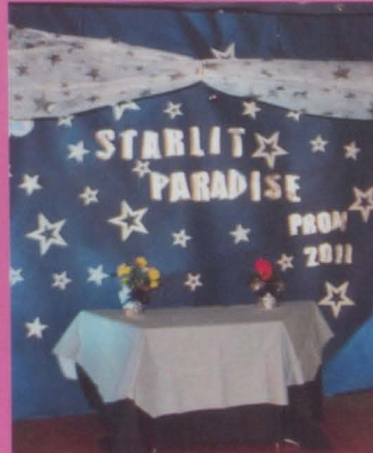

"The minute bell rang and I was by Messner's room and needed to get to Wojcik's so I booked it and ended up falling because the ground was wet, got up and still made it to class."
