"Junior year during the tailgating party before prom and then riding around in our jacked up limo."  
- Brent Olson

"The night of prom was probably the best High School memory because it was a good time."  
- Javier Bedolla

"My favorite High School memory was when Mrs. Koehler started strutting her stuff during class to the song 'Send Me On My Way.'  
- Danielle Handt

"Mr. Rohr's biology class when we tipped over all of the telescopes."  
- Tyler Wisniewski

"I farted during a test."  
- Karie Katch

"It was sophomore year in Mrs. Kaminski's class during Kody Siebers' presentation; he was explaining something and blurted 'titties' in the middle of what he was saying."  
-Christina Xiong

"When Brittany Vanden Heuvel was walking in the hall in sophomore year and fell out of no where and was just laying on the floor when me and Olivia turned around."  
- Brittni Gomm

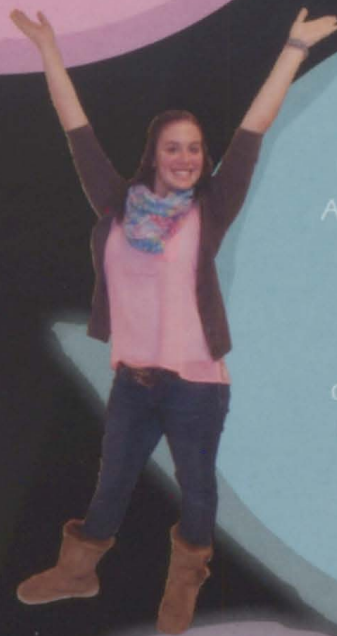

"My favorite High School memory is with Hannah Unsinn. Whenever we see each other in the hall ways, we always yell each others names. She'll say "Annaaaaal" and I'll say "Haannaahhl" and we'll both laugh really loud about it. Some of the teachers yell at us and some just laugh at us. The teachers don't get why Hannah and I think it's so funny which just makes it even more funny to us."

- Anna Linssen

"Freshman year Homecoming, I arrive to Alise and Olivia Gray's house and we were ready to take pictures. I had to use the bathroom first so I walked down the hallway and completely slipped on the rug and fell. Instead of getting up, I crawled into the bathroom. Everyone still makes fun of me today for it, but at least they got a great laugh!"

- Brianna Kempen

"When I accidentally mooned two teachers when we were changing before dance practice. Ooops."

- Magdelin Potter

"My favorite High School memory would have to be playing soccer when "J" was coach. The team would always pick on him. The best time we had was when we were getting the cones for practice. We grabbed the bag they were in and found ladies lace underwear inside of it! We never let that one go and we still tease him about it when we see him."

- Amber Moore
