## Homecoming

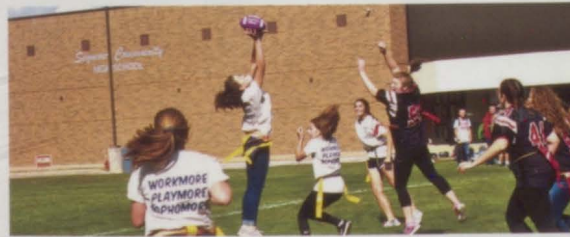

### Powderpuff

Student Senate members met with administration and convinced them to bring back the Powderpuff football game in lieu of dodge ball, which was played in past years. The senior girls defeated the juniors to claim the championship spot. Multiple interceptions, motivating coaches, and a strong defense helped propel the senior girls to an impressive victory.

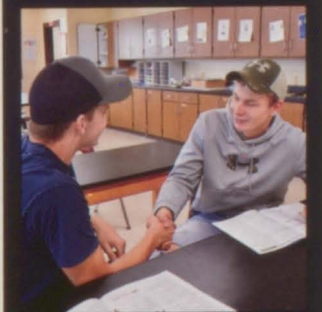

What was your favorite part about Powderpuff?

A

"It was awesome being able to play Powderpuff instead of dodgeball this year! I think that it went very well considering it was the first year it was back. And of course it is always nice to beat the underclassmen!"

-Raven Vanden Langenberg

# Story Time

Humans of SHS

"I don't remember much of my childhood. But one thing I do remember is the first time I ever played hockey. I was no older than seven years old when I first went skating with my dad. The adrenaline rush I got while watching him and playing with him is such a rush, and I'll never forget it. To this day I still watch hockey and go to games with my dad all the time! It's kind of our thing."

- Renee Roskoski  
Grade 9

"We got closer as the year continued to go on. Our favorite memory together was at a birthday party. We laughed until we cried. It lasted almost all night and we wish we could relive that night over and over again because it never gets old to share and laugh about."

- Lexas Skenandore & Leena Albert  
Grade 11

"This year as a senior I happened to make my favorite high school memory, which was expericing my junior prom with great friends and an amazing date. I made memories that will now last a life time."

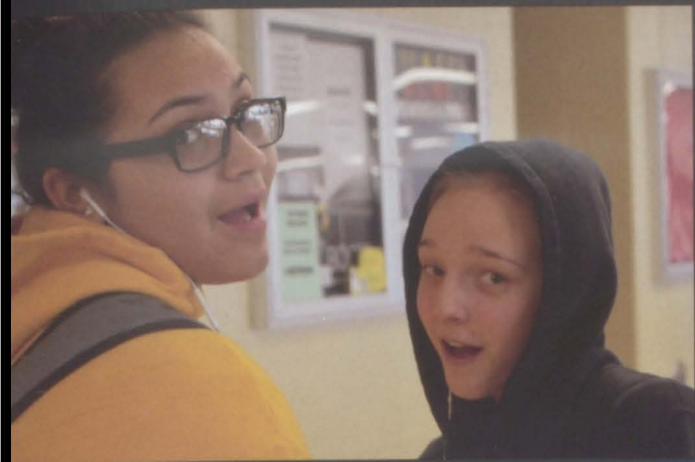

- Irissa Borowitz-Metoxen,  
Grade 12

"March 16, 2016 was the day my baby sister was born. She inspires me a lot to do well in school! I was the first one to hold her when she was born. She weighed 6 pounds and 4 ounces. Since she came into my life I never felt so happy. I will never forget that day, the day I met my pumpkin! Her name is Ann Marie Liela Daisy Christjohn."

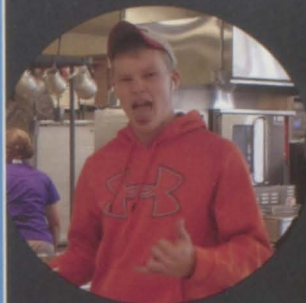

- RaeAnn Peters  
Grade 12

"We have been best friends for awhile and we are always laughing in every single class that we happen to have together. We seem to never have a dull moment when we're together."

-Makaiah Hansen & Breann Riehl  
Grade 10

"Back when I was 12, my grandpa asked me one day if I wanted to take hunters' safety, and he asked me if I wanted to go hunting with him. I thought I'd give it a try! Then it came to hunting season, and I sat with my grandpa and I waited for any signs of movement. We didn't see anything in the morning, so we went out again at night. Then we heard a branch snap, so he pulled his gun up and waited. The deer then came walking in front of us and my grandpa shot. The first time I went hunting and my grandpa shot a eight point buck, I've been going with him ever since."

- Jayden Swenson  
Grade 10

"High school for me has been pretty good so far. I have great friends to push me through everyday and I enjoy my classes. I am thankful for band and softball because they opened up lots of doors for me and I have made some really good friends through both. I want to thank my softball coaches and band director for pushing me to do my best and for giving me the opportunity to play and have something in my life that I enjoy doing!"

- Madisyn Doepker  
Grade 11

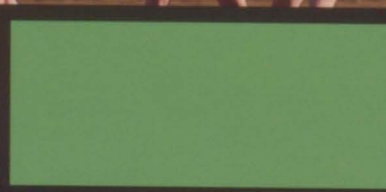

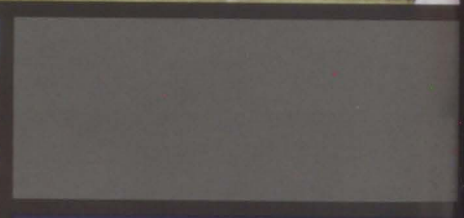

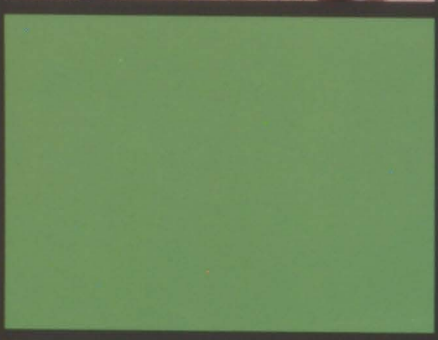

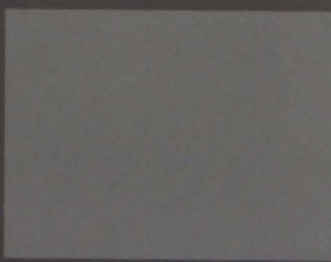

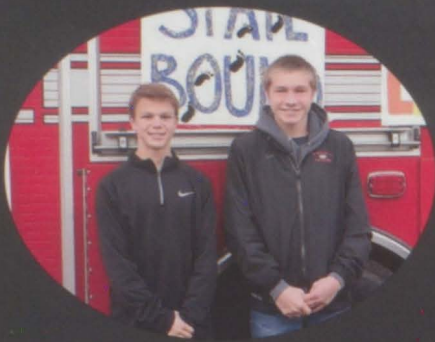

"Our favorite memory was when we went to Chicago this past summer. We saw many great sights and made many unforgettable memories! It's something we will never forget and we hope to do it again sometime in the future together!"

Alternative School

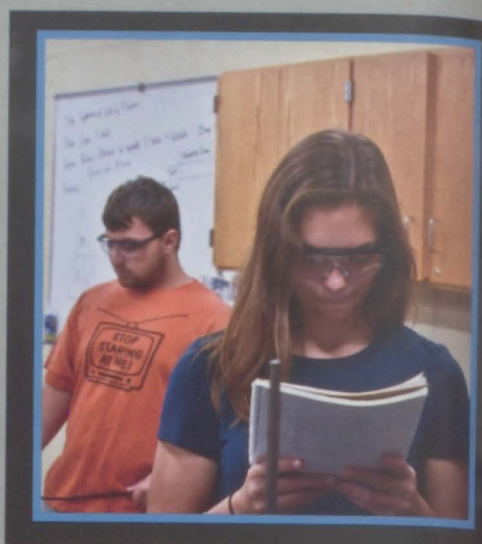

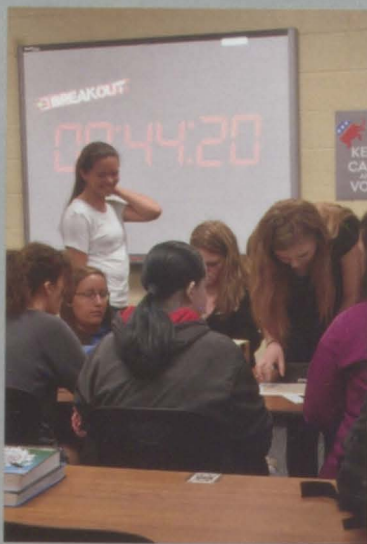

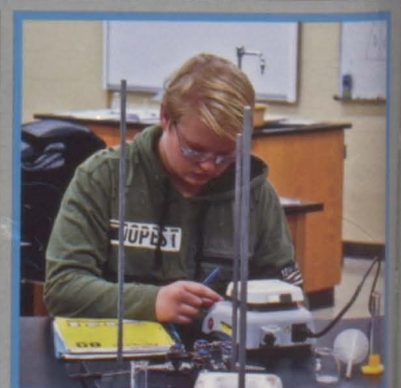

Imagine a school in which there are no bells, crowded hallways, or teachers in front of a roomful of students. Imagine a school where choice, flexibility, and learning at your own pace is the rule rather than the exception. Imagine a school where its focus is on the student and not on how to fit the student into the system. In this school, students must learn very quickly that the privilege of making choices in one's education also takes action. -Welcome to Seymour Alternative High School!

"Learn to let go of the past, and recognize that every day won't be sunny. When you find yourself lost in the darkness, remember it's only in the black of night that you see the stars, and those stars will lead you back home. So don't be afraid to make mistakes, to stumble and fall, because most of the time, the greatest rewards come from doing things that scare you the most. Who knows where life will take you. The road is long and the journey is the destination." OTH —We love you both! Mom & Dad

## Kayley

You came into this wonderful world under blossoms of snow and though we're tempted to keep you fairly local, we know that destiny is calling and you gotta leave this town. Take heed of stormy weather and know that we'll miss you when you're gone.
