Homecoming Week

Students gathered in the Fieldhouse to celebrate the ending of Homecoming week and the football game to follow. One of the events was a hypnotist. In this photo, these students were convinced that they were supermodels. They're all striking their best pose. This was one of the crowd's favorite moments.

Powderpuff football was cancelled due to bad weather. As result, this year the students participated in dodgeball during the Homecoming day activity block.

Both of the aforementioned teams have players from multiple schools. They have friends and family who have supported them along the way. Academics

Alternative School

That's A Wrap

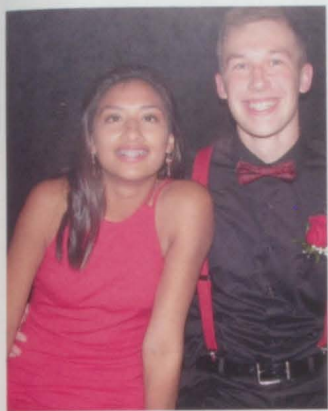

The alternative school students do extensive volunteer work at Fallen Timbers. Pictured here: Kenda Cobb, Autumn Carven, Jaydee Johnson, Brandon Marcks, Ashley Murphy, Courtney Theys, Jonathan VanKauwenberg, Ryan VanSchyndel.

Imagine a school in which there are no bells, crowded hallways, or teachers in front of a roomful of students. Imagine a school where choice, flexibility, and learning at one's own pace is the rule rather than the exception. Imagine a school where its focus is on the students and not on how to fit the students into the system. In this school, students must learn very quickly that the privilege of making choices in one's education also takes action. – Welcome to Seymour Alternative High School. This innovative school even has some night and summer hours to accommodate students varying needs and schedules.

I cannot recall a class who has had so many challenges, from personal struggles with mental illness to the death of a loved one. Through it all, I witnessed countless acts of love and support. You are all stronger because of your willingness to reach out for help and to offer help. Be gentle with yourselves and continue to love one another as you pursue your dreams. -Mrs. Secor

While I didn't have your class as freshmen, I enjoyed getting to know the ones I did have in class! Thanks for all the fun memories! My advice to you is to travel! It'll give you a new perspective/appreciation of your hometown. -Mrs. Schaumberg

You are amazing! I so enjoyed you all in social studies and S.T.A.N. and now I appreciate all the progress we have made in Tech Ed.! Shine bright! -Ms. Sievert

Future seniors are reminded that senior pictures are submitted using the link on the bottom of the Seymour High School web page.

Set your goals and don't deviate your plans to achieve them, but be flexible enough to change your goals when needed. Treat every day as a new opportunity to make someone's day. When you do this your day is better also. -Mr. Messner

Teacher Quotes

Good luck, seniors! Thanks for all the laughs and awesome discussions. Never forget that Oedipus was the original mama's boy, and that the only thing you need to remember about Hamlet is that everyone dies at the end. "I hope you live a life you're proud of, and if you find that you're not, I hope you have the strength to start over." -F. Scott Fitzgerald - Ms.Glover

If you can't handle one more thing on your plate, it is okay to say no. Learning to say no can be difficult but it is a necessary skill. -Ms. Van Ornum

I'm wishing you all the best always. As you face the future remember to "write your hurts in the sand and carve your blessings in stone."

-Ms. Kaminski

I started teaching at Seymour four years ago, and many of you were in my first classes here. I am now so lucky to have known you all for the past four years and to have watched you become successful young adults ready to take on the world. It truly has been a joy to have you as my students. Keep fighting for your dreams, because I know you are all capable of amazing things!! And remember to come back to visit and thank your teachers!! Good luck!

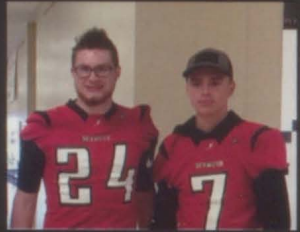

Ms. O'Connell
