

# Virtual Learning: Phase 2

---

## 4<sup>th</sup> & 5<sup>th</sup> Grade Instructions (Chromebook)

Students will be using Google Classroom for daily learning tasks. They can access Google Classroom on any web enabled device. They will log in using their Google account. Please follow the steps below to help your student get started. Once they are in, make sure they “Join” all of their classes.

1. Turn on the Chromebook.
2. Type in your student’s email address. Click Next.

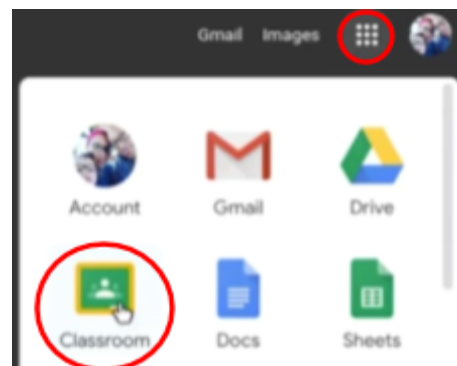

3. Type in your student’s password\*. Click Next.

\*Passwords are the student’s 8 digit birthday. For example, a birthday of April 15<sup>th</sup>, 2014 yields the password 04152014. This is the same password your student uses to log into the computers at school.

4. Open Chrome.

5. Navigate to [classroom.google.com](https://classroom.google.com) or click the “Waffle Iron” in the upper right corner and select Classroom.

---

Please direct any questions to your student’s classroom teacher.
