By All . . . For All

The Seymour Community High School Counseling Program is facilitated by a support network of school counselors, teachers and staff, administration, parents, and community members in order to ensure academic success for all. Our goal is to help every student develop into a successful, productive citizen.

District School Counseling Mission Statement:

The Seymour Community School District Counseling Program is essential to developing the academic success of every student by focusing on academic, career, and social/emotional domains to allow them to function and to contribute to a changing society.

The Seymour Community School District does not discriminate on the basis of sex, race, color, age, religion, creed, national origin, ancestry, pregnancy, marital or parental status, sexual orientation, or disability.

School counseling prepares students to *succeed* in three domains:
