

In the boxes below brainstorm events in your life, big or small, that means something to you. Start with your birth and try to think of something every 4 years. The more you can list, the better chances are that you'll think of a story you want to tell.

The form consists of six light green rectangular boxes arranged in a 3x2 grid. Each box has a blue border and contains a white starburst pattern. The boxes are intended for brainstorming events in the student's life.
