

**LEARNING TARGET:  
CHECK FOR  
UNDERSTANDING ON IN  
TEXT CITATIONS FOR  
LITERARY PAPERS**

Including the challenge  
zone when and how to **use  
quotes w/in quotes**

**REMINDER: ANY TIME YOU  
QUOTE ANYTHING WORD  
FOR WORD FROM A BOOK  
THE PASSAGE IS IN  
QUOTES WHETHER IT'S IN  
QUOTATIONS IN THE BOOK  
OR NOT**

The question is: how to  
you cite various passages?

# REVIEW / CHECK FOR UNDERSTANDING RE CITATIONS:

- ⦿ A) “I will work harder” (George Orwell 12).
- ⦿ B) “I will work harder.” (Orwell 12).

# CHALLENGE ZONE: WHEN DO YOU USE SINGLE QUOTES?

- From our prior example we know that even if a passage was in quotes in the primary text, we still just use regular quotes.
- “I will work harder” (Orwell 12).
- So when do we use singular quotes?

(We’ll practice together on the next slide.)

# CHECK FOR UNDERSTANDING:

What would we do if we wanted to quote the **ENTIRE** passage and **NOT** just the part that was already in quotes?

Boxer repeated, “I will work harder!”

# CHECK FOR UNDERSTANDING:

**Which one is correct?** (good and bad examples)

- ⦿ “Boxer declared, “Boxer is always right!”  
(Orwell 127).
- ⦿ “Boxer declared, ‘Boxer is always right’  
(Orwell 127).
- ⦿ “Boxer declared, ‘Boxer is always right’ ”  
(Orwell 127).

# PERFORMANCE OF UNDERSTANDING

(TIME TO TRY IT ON YOUR OWN)

- In small groups you will work on a small group activity where you will provide proper quoting and citations for various passages.
- Hints:  
Be aware of **end punctuation rules** as well as when and how to **use single quotes**.
